FW: News Update 28th Feb 2025

----- Original Message: -----

Dear parents and carers,

A huge thank you to you all for supporting us through the challenges we have faced in the last few weeks. We can now confirm we will be all back to school at Jericho as of next week. All children will be returning to their normal classrooms which are all now ready for us all to use.

All other school routines will return to normal. Breakfast and afterschool club will be open and available to book via parent mail. School lunch service will resume for all children. Forest school will resume as normal as will PE so please ensure children have all kit as normal for their allocated days.

Car parking- Next week there will continue to be building works carried out on the school site. Next week the modules for the classrooms are arriving. They are set to be delivered around our opening and closing times, however, access will be needed at all times. Unfortunately, there will be no parking on site next week except for disabled drivers. Please as always ensure you are mindful of our neighbours and park safely to safeguard our children.

Golden Work- R – Arlo and Arthur for fantastic Supertato labels.

Adventure days: We are in the process of organising some additional trips for our children towards the end of this term and into the first part of the Summer. Our work on this has been hindered due to the roofing issues. Please watch out for further news next week.

News- Congratulations to Max in year 3 who is very proud to be a new uncle! And has loved sharing his news with us all.

National Story Telling Week + World Book Day

Next week, to celebrate World Book Day 2025, we will be participating in National Story Telling Week, where our children will become immersed in creating their own story, following a virtual workshop with a children's author. Throughout the week, we will have another visiting **Book Fayre**, available to access in the hall **before (8.30-8.50) and after school (3.30-4.00) Monday-Thursday**. The fayre was a raging success in school during the Autumn Term, and we hope that children enjoy having the opportunity to buy newly-released titles next week. Once again, our **fayre will be CASHLESS**, so children will need to be with a parent/carer to buy books. Alternatively, you can pre-buy gift vouchers following this link:

<https://bookfairs.scholastic.co.uk/gift-vouchers>

On Friday 7th March, to celebrate World Book Day and National Story Telling Week, we encourage the children to come dressed as an 'imaginary character'. This can be as wild and wacky as the children see fit, but the more creative, the better! Please don't feel the need to buy something special for the occasion – a flying character, using old fairy wings, or a cloud angel, using balloons stuck to a t-shirt are good examples of how simple this could be.

As part of our focus week, the children will have plenty of opportunities to take part in reading-related activities that continue to inspire and promote a love of reading and writing.

IEP meetings- WC 24th March IEP meetings will take place for parents of children with an individual education plan. Please ensure you book a slot on parent mail once the appointments are live. These appointments will take place face to face in school to share targets and progress.
