News Update 6th September 2024

Welcome back

What better way to finish our first week back at school than we a lovely sunny Friday and a sunshine-filled weekend? I hope you all have some lovely plans!

This week has been a great start to the year. It's been lovely to catch up with everyone and hear about our children's adventures over the holidays. So many children have had a summer filled with making memories.

Here are a few reminders for the week and term ahead:

Playground areas: In the mornings and after school please ensure children are not walking in the barked areas, on the rocks or down the embankment where there are flowers as we would like to keep our outdoor areas looking as wonderful as they do now.

Meet and Greet parents meetings will take place next week straight after school at 3.30 pm. This is an opportunity for your child's new class teacher to meet with parents and share all that is ahead for your children. The meetings will take place in the classrooms with your child's class teacher.

Y1- Friday 13th September

Y2- Thursday 12th September

Y3- Wednesday 11th September

Y4- Tuesday 10th September

Y5- Monday 9th September

Y6- Thursday 12th September

Reception- 2nd October

Lunches: Please see attached our revised three-week cycle of lunch menus for this term.

Weather: As we know the great Cumbrian weather can take all twists and turns throughout the day. Please ensure your child has a suitable labelled waterproof coat (even if left in their school bag) to ensure they can still go outside at break times.

New NHS mental health support pathway: There is a new initiative to support young people in Cumbria. NHS 111 now has a new option for anyone wanting to access mental health support while in

crisis. If a child or family ring while in crisis they can select the mental health option to access help. It does not matter if they are open to MH services or not.

Cumberland school attendance pledge: Please see attached the County's new attendance pledge in supporting pupils and families in regular school attendance. Cumberland Council have now appointed an attendance team with a designated attendance lead for schools. We will be working with them moving forwards to continue to promote our children's achievement through regular school attendance for all. We will provide more information in relation to attendance in the meet and greet sessions next week.

Celebrations

We love to celebrate everyone's successes at Jericho, both in school and out of school. If you would like to share news or pictures of your child's achievements out of school then please let us know. You can email us via the following email address. We will then share the news on our Facebook page and in our News Updates - goingtheextramile@jericho.cumbria.sch.uk

Golden work:

Thea in y1: Fantastic presentation and a wonderful start to year one!

Jay in year 4: Wonderful attitude to learning

Isaac in y4: Beautifully presented handwriting

Aryan in Y4: Wonderful attitude towards his new learning in y4

25th October: Finish for Half term

4th November: School returns for Autumn term 2

HM Government

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Cumberland School Attendance Pledge

1. Making sure children/young people regularly attend school is the responsibility of everyone.
2. We are committed to working together to improve school attendance for children/young people across Cumberland.
3. We understand that attending school is crucial for everyone, and when students are absent, it could signal important safety concerns we need to address, particularly if they are a child missing education.
4. Barriers to school attendance can be complicated and come from a number of reasons within families, communities, and environments. We are committed to breaking down these barriers.
5. We will collaborate with each other to remove barriers to attendance. Parents and caregivers play a crucial role in this partnership.
6. We strongly support and promote excellent attendance and role-model this.
7. If we notice that children/young people are not in school during school hours, we will be professionally curious and query the reasons behind their absence.

Each partner has an important and distinct role in supporting the child or family, no one partner can do it on their own.
