Kingswood Special

Dear Parents/Carers

Many of our Year 6 pupils visited Kingswood in Overstrand, Norfolk this week in their shiny, new hoodies.

We had lots of fun whilst working on our teamwork, communication and leadership skills. These were put to the test immediately when we had to work out how to make our own beds! Some of us were better at this than others...

We were lucky enough to be there at the same time as the other NET schools and when five schools come together, great things happen! Some of the activities the pupils engaged in were Archery, Obstacle Challenges (one was even more of a challenge as we were blindfolded), Environmental Art and Jacob's Ladder, where we faced our fear of heights to reach the top and claim it as OUR ladder and not Jacob's ladder!

It was fantastic to have three days of outdoor activities in the glorious sunshine. We were also lucky enough to fit in a quick trip to the beach and have a paddle in the sea, not to mention a moonlit walk where we got to see an amazing harvest moon! We rounded off the trip with a campfire where we sang songs, told jokes and drank hot chocolate around the fire, affectionately known as 'Jerry'!

Jerounds pupils represented our school excellently with their exceptional behaviour and beautiful manners.

Thank you to our amazing team of staff who gave up their time to come with us: Miss Taylor, Mrs Bell, Mr Oh, Miss McCarthy and Mrs Bull.
