## **Jerounds Journal**

Dear Parents and Carers,

As our Year 6 children head off to north Norfolk today to spend quality time away teambuilding at Kingswood, I feel immense pride thinking back to my first residential trip with Jerounds' children in June 2018. Our present Year 6's, just as our last year's 6 classes, demonstrate daily what a privilege it is to be part of our Jerounds Community.

'Happy children thrive' is our constant mantra to support our 'NET Way'. In life, as well as in school, the happier one is, the more open to learning, success and growth one will always be.

It is important to understand what it is that makes a child happy in school: beyond lessons being fun, it is having the trust in your teachers that they will listen to you, help and advise you; the security that school is a caring environment; and the knowledge that the role of every adult in the building is to look after you.

We have high expectations of our children: the challenges that we set show them that we believe they can achieve them, instilling the confidence and drive to do so. Moreover, we place great importance in kindness and respect being mutual. All of our children are well versed in the school's moral code; they both abide by and appreciate it.

There is a tangible buzz of happiness at Jerounds Primary Academy, which emulates from children, teachers and parents alike. We do have a great deal of fun here, whether in the classroom or playground, on the sports field, during one of our educational visits or many themed learning days. Simply take a perusal through the photographs attached... the children's smiles resonate across every photograph.

During our Year Six leavers' assembly, the children spoke of their memories of their past seven years at Jerounds Primary Academy. None mentioned grammar lessons or the algebra they had learned, but of the opportunities to perform on stage, play in concerts, visit historic buildings, bond with their friends on residential trips and the roles of responsibility that they earned in their final year here. It is not just the academics that are impressive but also the experiences that our children will take away with them. We make such special memories here at

Jerounds – and they are happy ones! Our love and best wishes go with our Year 6 classes today – Eagles and Swans - as they add to their already extensive portfolio of treasured memories. Other news... 'Welcome Meetings' for parents and carers from every year group, will begin next week, so please keep a watchful eye for our calendar dates , on the school website.

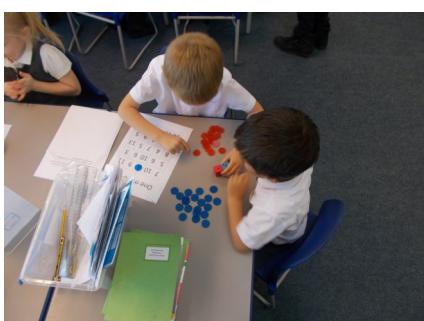

Equally, in order to celebrate 'National Poetry Day', we will be hosting a special menu and competition for all those children who wish to taste our delicious Ashlyn's organic hotdogs on Thursday 4<sup>th</sup> October. Ashlyns will also be hosting taster sessions for our Early Years and Key Stage 1 parents over the coming weeks. Hopefully, once the parents and children taste our delicious, organic dinners more of our children will opt for this completely FREE, healthy meal option daily.

Finally, our extra-curricular timetable will be posted onto parentmail this week – listing some new and exciting opportunities for our community.

Happy Monday everyone!

With best wishes

# Our Stars of the Week

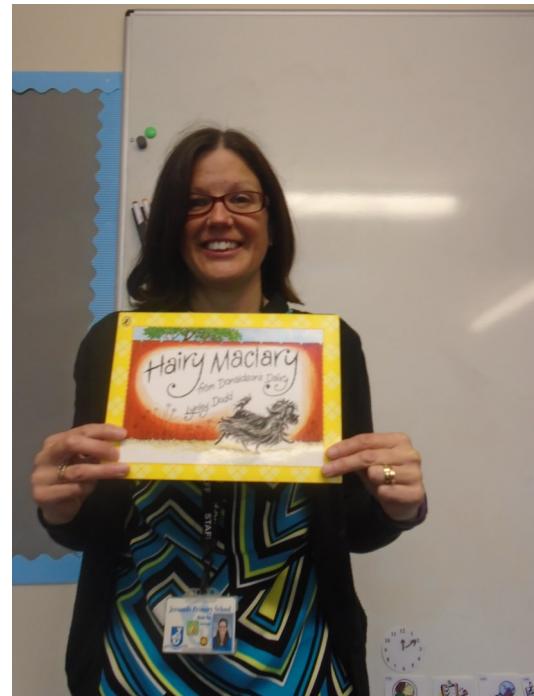

## Play leader of the week

Look at all these wonderful birthday book donations. Marvel Storybook Collection and Hairy Maclary from Donaldsons Dairy.

Thank you so very much!

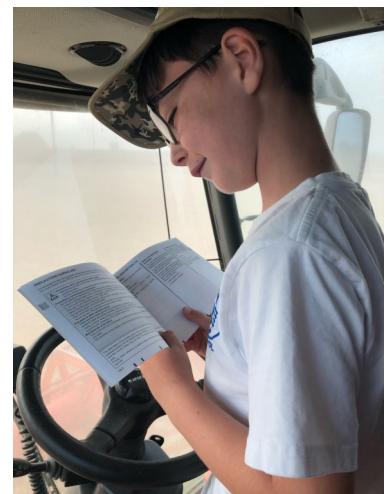

## Where do you enjoy reading?

After a relaxing walk through the field, how about picking up a book and having a read? This is what two of our children decided to do. They managed to find a comfy seat on a combine harvester!

Where have you read a book recently? We would love to hear all about it.

## POLITE REMINDERS

- Please could you make sure that your child/children does not wear jewellery to school as we have a 'No Jewellery Policy'.
- Please could all children come to school in the correct uniform.
- Could children please have a PE kit, sun cream and sun hat in the warmer weather. Please refer to the website for further details.
- Please can you not park in the school car park when dropping your child off to breakfast club.
- Please can you ensure that if your child has long hair, that it is tied back before the start of the day.

Parking: Polite reminder—Please consider road safety requirements and our neighbours when dropping off and collecting your children; especially within the proximity of the school gates.

**Have you moved recently?  
Have you changed your telephone number?**

Please ensure you advise the school office if you have moved or changed your telephone number. This also applies to any emergency contacts you have for your child/children.
