## **Celebrating a Fantastic Sports Day 2026!**

**By Mrs Laura Çiftçi, Headteacher**

What an incredible Sports Day we enjoyed on Wednesday - possibly our best yet! It was a truly memorable occasion, filled with determination, teamwork, laughter and an abundance of school spirit. Our children embraced every challenge with enthusiasm, resilience and encouragement for one another, making us all immensely proud. Bravo children!

Parental turnout was simply sensational, and the encouragement you gave from the sidelines created an atmosphere that was warm, uplifting and inspiring. Seeing so many families come together to cheer on our children made the day even more special. Your support means so much, not only to the staff but, most importantly, to the children themselves; especially your participation in the adult relays.

Events such as Sports Day are about far more than races and house points. They provide valuable opportunities for children to develop confidence, perseverance and teamwork while celebrating personal achievement. They remind us that success comes in many forms—trying something new, supporting a friend, showing resilience after a setback, or simply giving your very best.

Community events like these also strengthen the partnership between home and school. When families, staff and children come together to celebrate learning and achievement, we reinforce the sense of belonging that helps every child thrive. These shared experiences create lasting memories, foster positive relationships and demonstrate to our children that they are surrounded by a community that believes in and supports them.

We would also like to thank our dedicated staff - office staff, support staff, site team and teachers - whose hard work and organisation ensured the day ran so smoothly. Their commitment provided our children with an enjoyable, safe and successful event that reflected the very best of our school community.

To every child who took part—well done! Whether you crossed the finish line first, encouraged a teammate, or challenged yourself to have a go, you embodied the values we strive to nurture every day. We could not be prouder of each and every one of you.

Finally, I am DELIGHTED to announce that Jerounds Primary Academy has finally been awarded the national accreditation as a School for Excellence in Oracy. Congratulations to all the pupils and staff for showcasing such outstanding oracy practice during our recent examination and assessment. The examiners were thoroughly impressed with Mrs West's leadership and how she orchestrated staff training and developed pupils' Oracy confidence at Jerounds.

Wishing you all a lovely weekend.
