YEAR 1 FIRE ENGINE VISIT

On Tuesday, Year One were visited by the Nottinghamshire Fire Service to support our 'Great Fire of London' topic.

The children were able to see all of the equipment inside the fire engine and the firefighters talked them through what each piece of kit was used for. They also talked with the children about what to do if there was a fire, including knowing their address if they needed to call 999 and knowing what to do if their fire alarm went off at home.

The children listened very carefully and asked some brilliant questions. They even got to sit inside the fire engine! A big thank you to the Nottinghamshire Fire Service for giving up their time to visit us!

YEAR 3 PIZZA MAKING

Well done to our Year 3 children who took part in pizza making and did a brilliant job following the instructions, improving their cutting skills and decorating their pizza with different toppings - I hope they were as delicious as they looked!

YEAR 6 SATS

A special congratulations to our Year 6 children this week, who took part in the SATs tests. They showed amazing resilience and focus. We will get results in early July. Ultimately, we want our Year 6 pupils to be ready to take on the next part of their school journey and whilst the tests are important, they don't measure their positive attitudes, creative skills or individual personalities - the important things that make them who they are!

SATs don't measure sports, SATs don't measure art,
SATs don't measure music, or the kindness in your heart.

SATs don't see your beauty, SATs don't know your worth,
SATs don't see the reasons you were put upon this earth.
SATs don't see your magic, how you make others smile,

SATs don't time how quickly you can run a mile.
SATs don't hear your laughter, or see you've come this far,
SATs are just a tiny glimpse of who you really are.

So sitting at your table, with a pencil and your test,
Remember SATs aren't who you are, remember you're the best.
