Anti-Bullying Policy

This policy is based on DfE guidance “[Preventing and Tackling Bullying](#)” updated document in July 2017 and supporting documents. It also considers the DfE statutory guidance [Keeping Children Safe in Education 2024 \(gov.uk\)](#) and ‘[Sexual violence and sexual harassment between children in schools and colleges](#)’ guidance. The setting has also read Childnet’s “[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)” (childnet).

Note: When amending this template to reflect individual practice, settings may want to consider the DfE research into anti-bullying practices: www.gov.uk/government/publications/approaches-to-preventing-and-tackling-bullying

Definition of bullying

• Bullying can be defined as *“behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”*. (DfE “Preventing and Tackling Bullying”, July 2017) The Dianna Award defines bully as, *“Repeated, negative behaviour that is intended to make others feel upset, uncomfortable or unsafe.”*

• Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. The 3 main types are verbal, indirect and physical forms of bullying.

• This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

• Bullying is recognised by the school as being a form of child on child abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

School ethos

- John Perryn Primary school community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy

- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations, when appropriate.

Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The head-teacher/Designated Safeguarding Lead (DSL) or another member of the senior leadership team will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.

- Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law, the DfE 'Searching, screening and confiscation at school' guidance and Childnet cyberbullying guidance to ensure that the schools powers are used proportionately and lawfully.
- Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;
 - providing advice on blocking or removing people from contact lists;
 - helping those involved to think carefully about what private information they may have in the public domain.
- KCSIE 2023 – Key change - Designated safeguarding leads (DSL) are responsible for understanding the filtering and monitoring systems each school has in place. This means that DSLs need to take the time to understand the kinds of websites students are visiting.

Supporting pupils

Pupils, who have been bullied, will be supported by:

- Reassuring the pupil and providing continuous pastoral support.
- Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how respond to concerns and build resilience as appropriate.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services, or support through the Children and Young People's Mental Health Service (CYPMHS).

Pupils, who have perpetrated bullying, will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Providing learning opportunities so that the perpetrator(s) is able to understand and examine their actions and the impact that they have.
- Sanctioning, in line with school behaviour/discipline policy; this may include official warnings, removal of privileges (including online access when encountering cyberbullying concerns), and suspension or permanent exclusions.

- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children's Services, or the Children and Young People's Mental Health Service (CYPMHS).

Supporting adults

- Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.
- Adults, who have been bullied or affected, will be supported by:
 - Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
 - Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
 - Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
 - Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
 - Reassuring and offering appropriate support.
 - Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

 - Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
 - If online, requesting that content be removed.
 - Instigating disciplinary, civil or legal action as appropriate or required.

 - Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
 - Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.

 - Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
 - Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

- Anti-bullying ambassadors to create a child friendly anti-bullying policy to be shared and followed across the school.

Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents. This should form part of the new staff induction process.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week.
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

Involvement of pupils

- We will:
 - Take steps to involve parents and carers, where practical, in developing policies and procedures, to ensure they are aware that the school does not tolerate any form of bullying.
 - Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the school website
 - Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
 - Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
 - Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
