

The Joseph Rowntree Weekly House Challenge

...

Each week you will be set a house challenge to do for fun, house points and prizes. It is up to you if you want to take part but we would love it if you had a go!!!!

In school this weeks challenge has been very popular! Even all the staff have taken part! Looking forward to seeing Year 6 join in as well!

This weeks challenge.....

House/School decorated cake/bun/biscuit

This week you need to be really creative, accurate and patient to cook a cake or some buns or biscuits and decorate them in a house or school related theme.

Along with a picture of your produce you could include:

- Flavourings used
 - Descriptions of the choices you've made
 - A name for your creation
 - If you wish, photographs as the process progresses
- If you are unable to complete the practical Cooking, you can submit your plan and design.

How to submit:

- Attach a separate picture of your creation.
- Still include your name and house in your picture

Email photos of completed work to contact@josephrowntree.york.sch.uk

Be bright, be vibrant and be creative!

An example from
Mr Day:
No... he didn't cook
this David
Attenborough
cake and you
need not be this
ambitious!!

Here are some Examples from us

'Can't bake a cake' cake.
This is inspired by the bake off Artist- Tom Hovey illustrations.

The bottom tier represents KS3. The nurturing we put into the students as seedlings ready to grow and the journey they go on, given the right tools by us to develop and blossom.

The middle tier represents KS4 and the celebration that GCSE subjects bring and the sense of accomplishment after a period of growth.

The top tier represents KS5 and how we support the journey they make and how this continues as we inspire the students to take flight on their exciting new career or further education paths.

Joseph Rowntree really is the right school to grow in.

Honey muffins inspired by Muhammad Ali's quote: "float like a butterfly, sting like a bee" and Charlotte's house motto "beethebest"
