

The changes in Covid-19 restrictions from Monday 19th July means that we are able to adjust the way we operate as a shop – but hopefully with as little impact as possible to our customers.

Our priority continues to be the safety and wellbeing of our customers and staff. We will be opening our shop during our normal hours on Monday-Friday 8am-5pm and also Saturday 9am-2pm from 17th July.

We continue to offer our on-line ordering service with delivery to any location that is convenient for you. But if you prefer, you are still able to come visit the shop to collect your order or buy over the counter. Our staff will be on hand to help select the uniform that you require.

We have size guides on our website for the range of garments to help you select the most appropriate size prior to ordering as our changing rooms currently have limited availability.

For Joseph Rowntree School pupils we are again operating an appointment system for uniform fitting. We would recommend that all Year 7 pupils pre-book an appointment to allow for trying on their new uniform. We have plenty of slots available to book and we will be as flexible as possible to ensure all pupils are accommodated. We also have a second fitting room for trying on uniforms but there may be a wait to use it as this will be used for customers without an appointment.

Lastly, we would encourage parents to buy uniforms as early as possible during the holidays to ensure stock availability in the sizes that you require.

We look forward to helping you with your uniform requirements this summer.

Thank you for your understanding at this time.
