

*Dear future Year 7,*

*You've got nothing to worry about. Year 7 is fine; just do your homework, listen to the teacher and you will be alright. If you're nice to the teacher they will be nice back, if you're not nice the year won't be as fun. You will meet and make lots of new friends. Wear the right uniform and be on time for your lessons. Make a good impression for the teachers on your first day. Good luck.*

*Ps. if you're into sports like me you will love p.e here, it is so fun and the teachers are really nice.*
