

Luna Class

Y4/5

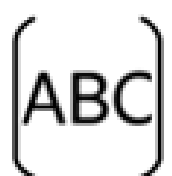

Welcome back to a new term and the exciting lead-up to the holiday season. With so much to look forward to and make the most of the final weeks of 2025 together.

Autumn 2

World
Learning

We will be transitioning to the Bronze Age and exploring the Iron Age, focusing on the tools, homes and culture that the Iron Age Celts shared, as well as comparing the periods to the Stone Age.

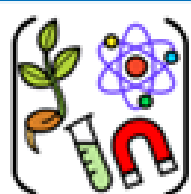

English

We will be reading *The Iron Man* by Ted Hughes. We will focus on learning how to produce different texts as newspaper reports or poetry, with the main goal of consolidating punctuation and expanded sentences to help us create more complex writings.

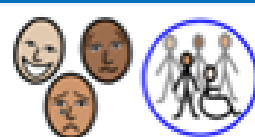

Maths

We will be focusing on consolidating Money and its value and basic maths operations with it. We will then move to explore Multiplication and times table. And finally, we will work understanding length, perimeter and area.

Science

We are learning about forces and how they affect movement. We will explore pushes, pulls, gravity, friction, and magnets through fun experiments to see how forces change the way things move.

PSHE and
Social Skills

We will be looking at identifying healthy habits, celebrating differences and understanding bullying.

RE

We will be thinking about Peace and what that means to people who follow a range of religious and spiritual beliefs.

PE

We will enjoy developing skills of basketball like dribbling, shooting, guarding and understanding the rules of the game.

Computing

We will be looking at keeping safe online and exploring programming. We will have our own projects and will explore building an algorithm for our own objects to follow.

Reminders:

- PE - Tuesday and Friday
- Cold and Wet weather - ensure you have appropriate clothing
- Make sure to bring in your homework every Monday!!
