LUNA NEWSLETTER

AUTUMN 2

ENGLISH

Welcome Back!
We hope you had a lovely break! We are excited to welcome everyone back to Luna Class.
This term, our topic is 'The Great Stink'. We will explore Victorian London through stories, creative activities, sensory experiences and lots of exciting learning opportunities.

MATHS

This term, we will be learning subtraction within 10 and exploring double-digit numbers. We will also review addition and practise solving simple mathematical problems through fun and practical activities.

PHONICS & READING

This term, we will continue learning our Phase 3 sounds and practise reading CVC words (consonant-vowel-consonant) and longer words. During reading sessions, we will develop our comprehension skills by answering simple 'who', 'what', 'where' and 'why' questions about the stories we read.

AUTUMN 2

WORLD LEARNING – HISTORY

This term, we will discover the fascinating history of the River Thames. We will learn why it is important to London, how people used it in the past and what has changed over the years through fun, hands-on activities and exploring pictures and stories.

SCIENCE

This term, we will continue exploring the states of matter (solids, liquids and gases) and learn about the water cycle. We will take part in fun, practical activities to discover how water changes and moves through the environment.

End of term is Friday 18th December at 2pm.

ART

This term, we will explore Pop Art and discover famous Pop Art artists and their colourful, creative work. We will experiment with bright colours, patterns and different art techniques to create our own artwork.

ORACY

Answer simple questions about the story: Who? What? Where? Why?

What happens when we take away?

What can you see along the river?

What is a solid, liquid or gas?
