

NURSERY NEWSLETTER

This half term

TOPIC - MINI BEASTS

Here is a list of our topic books we will be reading Superworm, Aaaarrhhggg Spider!, The Bad Tempered Ladybird, Norman the Slug with the Silly Shell, The Very Hungry Caterpillar and Tadpoles Promise.

Some of the things we will be learning are developing phonological awareness, so that the children can:

- spot and suggest rhymes
- count or clap syllables in a word
- recognise words with the same initial sound, such as money and mother.

In maths we will also be learning to solve real world problems with numbers up to 5.

- Compare quantities using language: 'more than', 'fewer than'.

Outdoor play

We will be spending lots of time outdoors exploring our garden searching high and low, digging and looking for mini beasts.

Reminders

- Remember spare labelled clothes in your child's bag.
- Named water bottle.

The weather has been so unpredictable of late. However, as things warm up please provide sunhat and suncream (with name clearly wrote on it).

Dates for the diary

- Half term starts Friday 22nd May
- Inset day Monday 1st June (NO SCHOOL FOR CHILDREN)
- School starts Tuesday 2nd June
