

## ENGLISH

- Explore a Greek myth presented in a modern setting; Percy Jackson and the Lightning Thief.
- Generate adventurous vocabulary for writing linked to myths and legends, including: expanded noun phrases, modal verbs and relative clauses.
- Compose their own poetry in the form of an ode.
- Role play alternative ending to different Greek myths.
- Explore and design a character costume linked to the text.
- Compose and edit an additional chapter in the correct narrative style for a myth, linked to Percy Jackson

## SCIENCE

- Explain that unsupported objects fall towards the earth because of the force of gravity acting between the Earth and the object.
- Identify the effects of air resistance, water resistance and friction that act between moving surfaces.
- Recognise that some mechanisms including levers, pulleys and gears allow a smaller force to have a greater effect.
- Recording data and results with increasing complexity using scientific diagrams and tables.

## COMPUTING

- Equip pupils with the knowledge, understanding and skills to use information and communication technology safely, creatively and purposefully.
- We will be focusing on E- Safety - cyber bullying. Using Google Sites the children will research the effects of cyber bullying and then create a website on how to stay safe online and who to speak to if cyber bullying happens to them

## PHYSICAL EDUCATION

- Due to Covid-19 and space restrictions each year group will be focussing on one sport/skill per half term. This half term Year 5 will be focussing on Rounders.
- learn how to strike the ball into a space so they can score runs.
  - when fielding learn how to work as a team to keep batters' scores down.
- Key Skills:
- Hand eye coordination
  - Striking
  - Throwing/ bowling
  - Catching
  - Spatial awareness/ perception.

## MUSIC

- In Year 5 they will be carrying on their percussion drumming practice focussing on Samba with Kirsty and Chris.

## MATHEMATICS

- Explore place value and compare and order numbers up to 1,000,000.
- Read, write Roman Numerals up to a 1000
- Explore negative and positive numbers
- Developing our use of the column methods for different calculations.
- Round to estimate and approximate numbers before adding and subtracting
- Read and interpret graphs and tables

## TOPIC

- A study of ancient Greek life and influence on their western world. This will include:
  - Formation of the city states of Athens and Sparta
  - The invention of modern democracy and voting systems
  - An understanding of the class and hierarchy within a city state and their relevance to our society.
- A comparison between the religious beliefs of Ancient Greek citizens and those of today.
- An understanding of how the modern Olympics evolved from the Ancient Greek games.

## R.E

- To learn about Islamic beliefs—The five pillars of Islam—and the rituals of prayer and the importance of prayer mats.
- learn about the life of Muhammad, his pilgrimage to Mecca, and that Muslims believe he is the last prophet.
- to understand the importance of Ramadan and the celebration of Eid.
