## Year 6

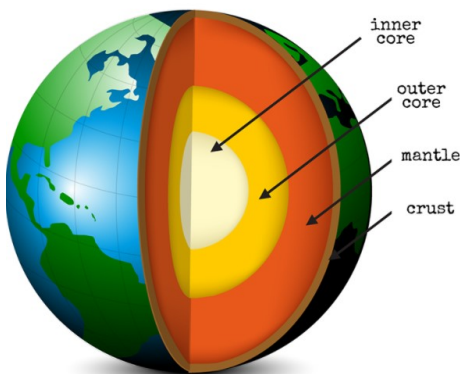

### Autumn Term

## What a Wonderful World

Welcome to Year 6! Our topic this term is What a Wonderful World. The children will find out about the different biomes of the world and look closely at the earth's structure. Our entry point will be a sensory trail, exploring our British biome. Our key text this half term will be Robot Girl by Malorie Blackman. We will delve into Science Fiction genre and relate this to other texts that your children already love! Keep your eyes peeled for information about the children's exit point, we will be sharing videos of the children's learning from the term via Google Classroom.

#### LAYERS OF THE EARTH

#### Ideas for home learning

- Times tables practice
- Home made volcanoes
- Create a diagram of the earth's structure
- Research dinosaurs
- Explore the Natural History Museum website

#### Key messages

Keep an eye out for secondary transition info

Read every day—sign records

PE days—6KS—Wednesday and Thursday

- 6CC—Monday and Wednesday

Homework on google classroom every Friday to be completed by the following Wednesday.

#### Goldilocks words for topic:

Layer

Crust

Outer core

Inner core

Mantle

Permeable

Erosion

Compressed

Igneous

Sedimentary

Metamorphic
