Trips and Visits

Year 2 at the Natural History Museum Year 2 learnt all about the human body as part of their Superhumans topic. It was great fun to see how bones and muscles work and to test out our own strength on the different equipment! They loved seeing how our bodies changed in the funny mirrors and comparing themselves to other species. They also looked at all kinds of animals, from gigantic whales and dinosaurs to tiny bugs that live in our homes! Year 2 all agreed that the moving T-Rex was their favourite!

Year 3 Trip to the National Gallery Year 3 visited the National Gallery to support our English topic of 'Myths and Legends'. They looked around the gallery and took part in an exciting workshop where they learnt about different paintings of mythical characters like St George and the Dragon. They particularly enjoyed studying paintings of the Greek gods and characters, like Ariadne, Athena and Medusa, that they have been learning about in school.

Year 4 Violin Workshops Our Year 4 violinists have taken part in workshop and rehearsals led by percussionist Beth Higham-Edwards. The children learnt how to compose for film, developing their creative music making and storytelling skills for a special live performance of their compositions at the BFI London Film festival tomorrow in front of other schools, parents and families.

Year 5 Science Workshops Year 5 were privileged to attend a Forensic Chemistry workshop at St Martins-in-the-Fields Secondary School. In this session children explored the different lab equipment and were able to carry out a forensic investigation using scientific techniques such as filtration, evaporation and chromatography.

Year 6 Natural History Museum Year 6 were also at the Natural History Museum last week participating in a workshop **measuring the impact of volcanoes as part of their 'What a wonderful world' topic. They also looked at the museums impressive array of rocks and minerals - plus taking in the almost obligatory visit to the dinosaurs gallery!**

Class Assembly 5TL took us back in time with a memorable performance of Theseus and the Minotaur. They also shared many fascinating facts about life in ancient Greece. Many thanks to all of the parents who came to see their children take part.

Sporting Events **Jubilee's Football Team are participating in the Lambeth league at Ferndale Leisure Centre for the first time in many years and they have got off to a flying start, winning both of their matches. In the first week of competition they beat Walnut Tree Walk 3 : 0 and then repeated the feat the following week by defeating Streatham Wells by the same score-line. We hope they can take this winning streak into their first tournament of the year later in the week!**

Citizenship Congratulations to all of the pupils who have been selected to undertake a citizenship role this year. We now have so many roles that it would be impossible to list them all without taking up the whole newsletter, but I would like to introduce our new Team Captains.

Obama: Ben Flynn and Pa-Riss Erhunmwunse
Mandela: Madinah Maksene and Farah Mohamed
Parks: Anabela De Jesus and Wilfred Toms-Moate
Luther King: Ascad Mohamed and Aisha Ghani

Team Captains have a very important role within Jubilee as leaders, role models and ambassadors and we are sure that our newest recruits will do the school proud.

Notices

Reception Place Applications: Deadline for applications is midnight on Tuesday 15 January 2019

Secondary School Applications: Deadline for applications is midnight on Wednesday 31st October 2018.

St Matthew's Project There are several events taking place this half term. The Big Soup on Wednesday 24th between 2 and 5pm and Half Term Sports Club on Thursday 25th between 12 and 2pm. Please see the separate flyer later this week.

Harvest Festival From tomorrow, we will be collecting items for Norwood and Brixton Foodbank again this year. All non-perishable donations are welcome but the foodbank are particularly keen for donations of tinned meat pies, corned beef, biscuits, tinned custard, tinned tomatoes and tinned rice pudding. We will be setting up a donation table in the reception area and our new team captains will be there to accept donations every morning and at the end of the school day.

Star Achievers Congratulations to the following pupils who have made a great start to the term by being awarded Star Achiever over the last two weeks.

Reception: Hiba, Nicole, Roman, Jordan, Elma
Year 1: Alex, Katlyn, Ashley, Ava, Arlo, Shanice, Mohamed, Abbass
Year 2: Ajani, Maida, Khali, Rico, Aldo, Ayesha
Year 3: Amira, Roney, Bolu, Belinda, Jackson, Shayan, Yusra, Romeo
Year 4: Audrey, Shayla, Alex, Lemia, Adeyanju, Nour, Shasmeeke, Malgorzata
Year 5: Aoife, Jude, Zubayr, Jahmelia, Lendo, Cameron, Taseen, Lassane
Year 6: Yassir, Mariama, Daniel, Megan, Zainab, Prince, Farah, Jenny
