

Jubilee Primary School and Children's Centre

1st October 2018

Black History Month This year our Black History Month Focus will be on Inventors who have helped shape the world in which we live. We will also be celebrating cultures and traditions across our school community. We would love to welcome parents in to school to share their stories and traditions. If you would like to contribute then please contact your class teacher.

Notices

Club Spaces We still have spaces in most clubs for Year 1-6. Please log on to Parent Pay and pay for any clubs that your child would like to do. Both Infant and Junior Choirs are free and do not appear on Parent Pay—please pick up a letter from the office regarding these.

Parent pay Please make sure you have activated your **Parent Pay account even if you don't have to pay for school meals or breakfast club.** We send our text messages via this system and if you have not registered you may miss an important message.

Lost Property Please check the lost property basket near the office. We cannot stress enough how important it is to label all clothes/shoes that children wear in school.

Sweets and chewing Gum Chewing gum and sweets are not allowed in school. Please discourage your child from going to the shops and purchasing sweets or chewing gum before school as for some the temptation then becomes too great!

TULIP Classes We are running classes on Tuesdays between 1-3pm for parents for whom English is an additional language. These classes will help develop English reading and **writing skills in order to support your child's learning and** develop your own reading and writing skills. Please speak to the office if you would like to attend.

Library Visits

All classes in the school have been visiting Brixton Library this week. We are very lucky to have strong links with such a great local resource. All pupils now have library cards and parents are encouraged to visit the library and take out books as often as you wish.

Tesco Bags of Help

We have received an award of £1000 from Tesco as part of their bags of help scheme. The award is to help develop our green areas at Jubilee and we are looking forward to putting it to good use. Thank you to Seonaid Royall for organising the bid and to all parents who voted for us in their local Tesco stores.

Assemblies Citizenship we have many different citizenship roles here at Jubilee and this week we have been encouraging the children to apply for a range of roles in the school including Team Captains, School Council, Playground Angels and many more. Please ask your children if they have applied for a role - so many children at Jubilee have so much to offer to our community and we are keen to involve as many pupils as possible.

6LL Class Assembly Our first class assembly of the year was an interesting and exciting look at our world focusing on our 6 major biomes: desert, savannah, rainforest,, temperate forest, Taiga and Tundra. The assembly featured journalistic presentations on all 6 biomes and a fact filled quiz. It certainly gave us plenty to think about.

Trips and Visits - 2PB Author Workshop 2PB were given the opportunity to take part in an author workshop at Brixton library. Laura Dockhill read from her story **Angry Cookie** and Marisa **Kiripidou, the book's illustrator, then helped the children to draw angry cookies of their own.** It was a highly enjoyable and memorable experience for all.

Year 3 Trip to Horniman Museum Year 3 had a wonderful time at the Horniman Museum this week. As part of their topic 'Temples Tombs and **Treasures**', the children were able to explore a range of artefacts from around the world. They were fascinated by the wide range of items from different times and places.
