

# Jubilee Primary School and Children's Centre

4th February 2019

## Trips and Visits

Year 6 pupils were visited by actors from the Old Vic theatre who delivered a workshop on A Christmas Carol. The children got to play the role of Scrooge and then a group of our Year 6 students attended a performance of A Christmas Carol at The Old Vic theatre the following night.

Year 5 as part of their Look, Hear topic Year 5 explored the mind boggling array of musical instruments from across the world on **show in the Horniman Museum's Music Gallery.**

Year 4 visited the Victoria and Albert Museum to look at fashion through the ages as part of their Fashion topic. The children were amazed at the size of the skirts that women used to wear!

Year 3 pupils took part in a **Creative Composition Workshops'** run by London Music Masters. The Year 3 violinists worked with a Workshop Leader to explore and create their own musical ideas **inspired by their topic work on "Do you live around here?"**. The students then performed their music for family and friends at the end of the school day to demonstrate their newly developed music-making skills.

Years 2 visited Pizza Express as part of their work on the Human Body. They all learnt a great deal about how to make a pizza from scratch and greatly enjoyed eating their sample pizzas afterwards!

Years 1 and 2 pupils visited La Retraite School to take part in a Multi-Sports Festival. All pupils participated in a range of sporting activities and it was a great opportunity to test our skills against pupils from other schools.

Nursery read the "Little Red Hen" and then made their own bread!

Able Writers Workshop Some of our Years 5 and 6 pupils were **joined by students from across the Windmill Cluster for a writers'** workshop led by local author Tamara McFarlane. It was great for our students to have the opportunity to develop their writing skills with talented pupils from other schools and really inspirational to work with a real life novelist!

## Into University

Last week 6KS attended workshops all week designed to inform and inspire our pupils about possibilities of further education. They visited the Chocolate Museum on Wednesday and made sustainable chocolate and on Friday spent the day at Kings College and took part in a graduation ceremony attended by their parents.

## Notices

Online Safety We held a parental information session on internet safety in school last week. If you were unable to attend but are interested in this subject then you can follow the link on the homepage of our website.

Reading Workshop On Friday 8<sup>th</sup> February, parents are invited to watch a Reading Masters (the method of teaching reading comprehension we employ throughout Years 2-6) session in 6LL, followed by an information session about our new school library project. Please return the reply slip attached to the letter sent out last week.

## Phonics Open Morning

We are holding a Phonics information session on Tuesday 12th February between 9 and 10 am. We will begin in the small hall outlining how phonics is used to teach reading and writing in the school and this will then be followed by time in the classrooms where you can see phonics in action.

Parent Hub We are launching this week! Please keep an eye out for newsletters, flyers and texts for further information.

Polite Notice In order to keep our fire exits clear, parents/carers are requested not to congregate in the office reception area before and after school once children have been dropped off and collected.

## Sport at Jubilee

Athletics We were delighted to discover that **Jubilee's Athletics Team came in Silver medal** position in the Lambeth School Games. 22 schools took part in the competition so to come second is a fantastic achievement. Well done to all of the boys and girls in Years 5 and 6 who took part!

Football The boys football team also had some very successful outings in their first few games back after **the Christmas break, defeating St Helen's 3:2** and followed this with an emphatic 8:2 win over VGP. Unfortunately this positive run then came to an end with a 4:2 defeat against Wyvil.

## Cycling

Last week pupils from Years 3 and 4 took part in Cycle Confident Sessions. They developed their confidence cycling both in school and in the local area and learnt a great deal about road safety.

Star Achievers Congratulations to: Nursery: Marielizabeth, Maida Reception: Kamharie, Tom, Daeshamar, Destiny Year 1: Justin, Katazyna, Tayah, Kevin, Yasmeenah, Daniell, Rhian, Abdulahi Year 2: Whole of 2PB for pizza trip, Ajani, Cavani-Shy, Aldo, Miami, Jahmai, Brooklyn Year 3: Joshua, Ayni, Alyssia, Laura, Elias, Jackson Year 4: Umi, Audrey, Margarida, Gisele, Stanley, Sasha, Alex Year 5: Pedro, Mckelly, Gbolohan, Anny, Jahmelia, Lendo Year 6: Tajae, Jesus, Adriana, Raven, Christiano, Mohamed
