

Jubilee Primary School and Children's Centre 19th July 2019

Trips and Visits

As always we have had a half term jam packed with trips and visits. Highlights include:

Reception went on a trip to the Transport Museum

Year 5 visited the Dulwich picture Gallery for an author and illustrator talk.

Reception and Year 5 both visited the Diana Memorial Park

Year 6 visited Into University for the last time to talk about Secondary Transition.

Year 2 visited Joss Bay for their annual beach trip- huge thanks to all of those who donated to help fundraise for this trip and to the many parents who volunteered to go along and help on the day.

Our school council attended the Windmill Cluster Summer Conference at Trinity Academy.

All pupils from Years 1-6 took part in a intra school rounders' event in Brockwell Park.

Year 6 went on School Journey to PGL in Marchants Hill.

Sport at Jubilee

We have had an incredibly successful end to the academic year in terms of sports. 16 pupils from Years 5 and 6 competed in the Mo Farah Shield, an athletics competition between all of the schools who receive sports coaching from SG Sports, and we were able to win the trophy. Many of the pupils taking part were from Year 5 so we look forward to continuing to have a strong athletics team in 2019/20.

Our Year 5 boys also won the Windmill Cluster Futsal tournament. This was the first time this event had taken place and it followed a 10 week programme of Futsal coaching funded by the Walcott Foundation.

Last week we took part in the Windmill Cluster Football tournament. This is an event we have a strong record of success in (our boys have won for the last two years and the girls reached the finals in both of these years). This year we were incredibly dominant with both the boys and girls teams winning all nine of their matches and winning the boys and girls competitions.

The girls won their second trophy in two days when they won the final of the Brixton Learning Collaborative and Windmill Cluster League the following day.

We are very proud of all our sport people at Jubilee and for the Year 6s in particular it was wonderful to sign off on their time at the school with so many victories!

Summer Fair

The summer fair this year was a huge success. We were treated to excellent performances from our choirs, violinists and performance poets and the Steel Pan band from Pimlico Academy was a real highlight. Great stalls, games and activities and glorious weather also really helped. Huge thanks to all of the Parents Group who worked so hard to make the day a success and to all parents, carers, friends and family who came along and contributed. We raised £2126 for the school. This was an increase on last year's event. Please look out for announcements on how the money is being spent to benefit the pupils of Jubilee in newsletters and through our twitter feed throughout the next academic year.

Poetry Slam

For the last 3 years all of the schools in the Windmill Cluster (Jubilee, Holy Trinity, Richard Atkins, Sudbourne, St Jude's, Christ Church Streatham, St Luke's and Orchard) have competed against each other in Poetry slam. All pupils from Year 3 upwards in each school get to write and perform a poem, winners from each class go on to perform in front of the whole school and the winners from this round are selected to compete against the other schools in a quarter and then semi final before eventually finalists are selected to compete in the final (this year hosted by Trinity Academy). We have a proud tradition in this event, having won it for the last two years running. We were delighted to keep this up, not only by producing the overall winners for the third consecutive year through the sensational Danae and Pa-Riss but also by taking third place as well through Kachief and Ascad.

Music at Jubilee

Both the infant and junior choirs and Year 4 violinists performed at the summer fair. There have been violin concerts for all those participating in LMM this year. These concerts were very well received and attended by a large number of parents. Thank you to all parents who were able to attend. Your support means a great deal to the pupils and staff.

Suzuki violinists have performed to Years 5 and 6. Years 3, 4 and 5 have performed to their peers in assemblies as part of their Musitrax lessons.

The junior choir will be performing at the Lambeth Country Show on 21st July. We will be performing on the Village Green Stage at 12:30. If you are visiting the Country show on Sunday please drop by and see us!

Jubilee Primary School and Children's Centre 19th July 2019

Oliver

The Year 6 Show is always one of the highlights of the school year and this was definitely no exception. We were treated to an extremely ambitious and entertaining performance of Oliver. The standard of acting and particularly of the singing was extremely high. We have many reasons to be proud of this year's Year 6s and this was certainly one of them!

Goodbye Year 6!

With another year drawing to a close it is time to say goodbye to another fabulous Year 6 cohort. Many families joined us for a Year 6 leavers ceremony earlier in the week. The following pupils received special awards at the ceremony: Contribution to Jubilee: Raven and Ra'miyah Sports Award: Idson and Tajae. Academic Achievement: Rushda and Adriana. Academic Progress: Mohamed and Elijah. Music award: Danae and Ben. Headteacher's Award: Kachief and Pa-Riss. These pupils well deserved their accolades but I would also like to say how impressed we have been with the whole of Year 6 this year. They have really grown up, worked very hard towards their SATs tests and provided a great example to younger pupils. They will all be missed next year.

Sports Day

We all had a brilliant time at Sports Day this Year. St Martin-in-the-Fields High was a great venue and the event was very well attended by parents and ran very smoothly. There were some incredibly quick races at the end but what I was most impressed with was the spirit of sportsmanship, team work and encouragement of all which was prevalent throughout. Thank you to all staff, parents and pupils for making it such a lovely day.

Children's Centre

Stay & Play sessions will be running on Wednesdays from 9.30 - 11.30am & 1 - 3 (except on 14th August) and Thursdays from 9.30 - 11.30am. Please pop into the school office and speak to Children Centre staff about the cinema screening on 6th August or any other information. Incredible edibles will still continue during the summer holidays until 6th August.

Star Achiever of the Term

Congratulations to the following pupils who won star achiever of the term.

ELE: Mirac, Omar. **EMC:** Hiba, Illyas. **1AM:** Tayah, Yassin. **1SY:** Katlyn, Kyreon **2LB:** Mohamed, Brooklyn. **2PB:** Eunice, Rico. **3RJ:** Helen, Joshua. **3MG:** Suhayma, Alex. **4CH:** Hassan, Shayla. **4JR:** Malakai, Princess. **5TL:** Lendo, Jonathan. **5CC:** Safi, Javel. **6KS:** Otis, Jenny. **6LL:** the whole class!

Notices

Parent Governor: Following this week's election Derrick Brown has been elected as Parent Governor.

Congratulations: to Tim Gaymer and Nick Toms whose longstanding contribution as Governors at Jubilee were recognised when they were presented an award by the Mayor of Lambeth at a recent Lambeth Governors' event.

School Dinner Money: Due to increased meal costs across all Lambeth schools there will be a slight increase in the cost of school meals from September. Meals will now cost £2:40.

Parent Hub: Please sign up to this in the holidays if you haven't done so. Instructions can be downloaded from the website.

New Term Start Date: We will be back in school on Thursday 5th September.

Note from Mr Prestwich

As another school year draws to a close I would like to say a personal thank you to all of the families of Jubilee for all of your support this year.

I have loved my first year as Headteacher here. I am very proud of all we have achieved and am really looking forward (after a little break) to move onwards and upwards as we strive to achieve even more next year.

Community is so important to us here at Jubilee and we could not achieve half of what we do without the parents and families with us.

I would like to wish you all a very happy summer holidays.
