## Trips and Visits

The infant choir visited the Southbank to take part in a Carol Singing concert accompanied by the organ. They also made Festive decorations and walked along the Southbank.

Year 6 pupils visited St Martins High School to take part in Science workshops. They conducted an investigation into the rocks that make up the structure of the earth. This linked well with their topic- What A Wonderful World.

Years 1 and 2 pupils visited Brixton Library to watch a pantomime performance of Snow White and the Seven Dwarves. Great fun was had by all.

All other year groups have also visited the Library to check out new books ready for the Christmas holidays! We are looking forward to visiting the library again in the new year. If your child has taken books out recently please either return them during the holidays or bring them back to school for return in the new year.

## Sport at Jubilee

### Football

**Jubilee Boy's football team finished the term off** with another win in the Lambeth League, beating Bonnevillie 2 nil.

### Tag Rugby

A mixed boys and girls tag rugby team took part in a tournament at Kennington Park. It was the first experience of competitive rugby for the majority of the team but, although they did not reach the latter stages of the tournament they learnt a lot from the experience and came away with one win.

### Athletics

20 boys and girls from Years 5 and 6 competed in the first stage of the London School Games athletics tournament. The boys won all four of their races with the girls winning 2 out of 4. a special mention goes to Mariama from Year 6 who was the overall winner in the javelin. We will be keeping our fingers crossed to see whether we have done enough to reach the next stage in the competition.

## Festive Fun

**Last Friday's festive fun event was a huge success. The event** was really well attended and included a great performance from the Jubilee choir (plus a slightly less tuneful contribution from the teachers).

We raised a record £1135.11, which will go towards a range **of school projects. Massive thanks to the Parents' Group** for organising the event and to all parents and carers who attended.

## Jubilee Performances

### Lights Camel Action

On Tuesday KS1 and EYFS treated us to a truly **unforgettable Nativity Performance with their Play 'Lights Camel Action'** the show was incredibly high energy, bright and fun filled. It was impossible to watch without breaking in to a broad smile.

Well done to all of the children and thank you to all of the parents who were able to attend and all of the staff for their hard work in the lead up to the performance.

### EYFS Festive Singing

Yesterday EYFS held their annual Festive sing along. It was lovely to see Nursery and Reception pupils singing with such confidence and the event was really well attended by parents who also joined in with a resounding rendition of **"We Wish You a Merry Christmas" to finish.**

### Violins Concerts

**LMM** All our children in Years 1 and 2 and selected children in Years 3 and 4 participated in violin celebration concerts with a huge turnout from parents to support them. We want to thank both the violin teachers from LMM and **parents for their commitment to the children's violin learning.** The concert was amazing and everyone was astounded to see the progression the children have made. **Suzuki** Alex put together a wonderful concert for the children in KS2 who have been taking violin lessons with him. Well done to everyone involved!
