## Trips and Visits

Reception It has been a busy time in Reception over the last few weeks. First they were visited by Rubbish Rachel and Recycling Rachel who taught them all about the importance of recycling. This was followed last week by Super-tato activities, where the children made a delicious butternut squash soup using butternut squash grown in the Reception garden.

Year 4 Science Workshops Pupils visited St Martins to take part in science workshops.

Years 1 and 5 Local Artist Visit - Local artist, Liz Atkins has been in school again working on sculptures inspired by Anthony Gormley with Year 1 and textile work on creating flags with Year 5

Year 3 British Museum As part of their Explorers and Adventurers topic Year 3 selected continents to explore and then chose the artefacts that they would most like to bring back with them if they were ever to become explorers themselves.

Robo-gals Workshop Selected girls from across key stage 2 got the chance to visit Imperial College and use Lego Mind-storm robots. It was a great experience and really opened up the possibilities that a career in engineering could offer.

School Council Conference our KS2 school councilors attended a conference and debated local issues around the Environment.

## Parents Group and Festive Fun

Spending Meeting **The Parents' Group will be having a** spending meeting on Friday 30<sup>TH</sup> November, please feel free to come along and have your say in how the money raised by the parents is spent

Festive Fun will be taking place on Friday 14th December. Volunteers are needed to help make this fantastic annual event a real success. Please come to one of our Friday morning meetings in the parents' room to discuss planning. **All welcome! The Parents' Group will also need help on the day setting up, decorating the main hall Wednesday 12th, help on stalls, cake & cookie donations, hot dog selling, lucky dip collecting/ wrapping, face painters.** Any help you can give would be greatly appreciated.

Table Top Sale This year we will also be holding a table top sale during the event. If you are interested in having a table then each table is £10. You can then hire a second table for an additional £5. If you are interested in signing up for a table please enquire at the office.

Odd Socks Day Thankyou to all of those who contributed to odd socks day. The school raised £131.70 for the Anti Bullying Alliance.

Poppy Appeal Thanks as well to all those who bought poppies and other poppy related items. The school raised £77.60

Eco Leaders Our school Eco leaders are currently writing to Lambeth Council to request recycling bins for our school hall but in the mean time we would greatly appreciate any donations of brown recycling bins that families no longer want. Please bring in and give to Miss Sam-Yorke in 1SY.

## Parent Pay

If you have not done so already, please log on to Parent Pay and register your child, even if you do not have school meals. This really helps us to communicate with parents as school texts and emails are sent via Parent Pay. When you have registered, please make sure you update your details as and when they change. Thank you

## School Journey

We held a meeting about Year 6 school journey last week. If you were unable to attend but would like information about the trip then please enquire at the office to receive a pack.

## Football at Jubilee

**Our boys' team continue to do well in the Lambeth League. They lost out 7:3 to St Annes in a high scoring thriller but have recovered well in the last couple of weeks defeating Granton 3:1 and Henry Fawcett 4:3.**

**Our girls' football team finally had their first outing of the season, joining schools from the Brixton Learning Collaborative for training and some friendly games last week. We are looking forward to playing competitive schools in their mini league over the weeks and months ahead.**
