Inclusion Office

We know that there are times when Parents/Carers might have questions or concerns about the support available for the additional needs of their child.

Our Inclusion Manager/SENCO, Alia Zakir, will be happy to meet with you and discuss your child's needs, and look at the best ways we can work together to support their education.

If you are unable to make this time, please contact the school office to arrange an alternative.

Please book slots with the Office

(First come first served basis)
