26th September, 2019

To parents of pupils in Y5

Dear Parent,

Bikeability

Children will need to bring their bikes to school w/c Monday 7th October and enter the normal way onto the playground where Miss Peck will meet them and the bikes will be taken to a designated area on the playground. Children will need to take their bikes home at the end of each day.

We would advise that children walk to school with their bikes. However, if they do ride them to school they must follow the correct procedure i.e. a helmet must be worn, children must get off their bikes as they approach school and walk into school.

For the actual training the class will be split into three groups, as follows:-

Group A: Monday, 7th and Tuesday, 8th

Bronwyn	Maddison	Madison	Jack
Lucas	Violet	Ruby S	Amelia
Daisy	Ruth		

Group B: Monday, 7th and Tuesday, 8th

Alex	George	Lola	Ella H
Luke	Nathan	Amber	Arina
Jacob	Charlotte		

Group C: Wednesday, 9th and Thursday, 10th

Finley	Lucy	Ruby C	Alfie W
Alfie T	Mia	Oliver	Charlie
Noah	Jamie		

The first morning will be playground-based and after that children will be going out into the village.

Please make sure children have a coat with them in case of bad weather.

Yours sincerely,

Ms Cowling

N.B.: Please ensure you have checked your child's bike and that it complies with the Bikeability pre-training checklist you have received.
