

The Enquire Learning Trust

19th March 2020

Dear Parents/Carers,

Re: Coronavirus update – school closure to most pupils

I am writing to let you know that **we have now been instructed to close the school to almost all children after this Friday until further notice.**

As advised by the government, we will do all we can to stay open for the children of key workers (e.g. NHS staff, police, others in frontline services) and children with certain needs.

We are waiting for the government to publish more information on what this means, but it would help us in the meantime if you could let us know if you think your child may fall into one of these categories. Please email or dojo through your child's name, class and both parents occupation. We'll be in touch again as soon as we are sure who this does apply to.

All other children will need to stay at home, so we ask that you do not send your child into school from Monday onwards.

Please note that this is a national closure – as you may have heard in the news – so while it is a challenging situation, we are not alone. We'll re-open fully as soon as we can and will let you know when this is via Class DoJo , email and the school website.

What we'll continue doing while your child is at home

Your child's learning is of course important to us, so we'll continue to help your child to learn.

We will be providing several things to support you with home learning:

- All pupils will be given a home working pack when the leave tomorrow
- All teachers will be sending out an overview of learning for each class which will include suggested timetables, subject specific content and a range of online services you can access to aid learning.
- Parents will be able to keep in direct contact with the class teachers via DOJO or work email.
- General enquiries should still be made to the school office
- Pupils in Year 6 will have been given their own school email address and all know how to contact Mr Claybourn directly

If your child usually receives free school meals we will also be in touch with more information about how we will continue to provide this, with support from a scheme that the government has just announced.

What we won't be able to go ahead with:

- After school clubs
- Open evenings/parent evenings
- Internal exams or tests

This is as much as we know right now, and we appreciate your continued patience as we deal with this ever-changing situation. We understand that this latest news will have an impact on you and your family and it's far from ideal, but we'll continue to keep in touch with any updates as the situation develops.

The Enquire Learning Trust

If you want to get in touch to share any concerns, please don't hesitate to do so via email: enquiries@keelby.lincs.sch.uk or a.cowling@keelby.lincs.sch.uk

And remember: if you or your child feels ill and you want to know what to do next, please use [NHS 111 online](#).

Thank you again for your continued support, and we will be in touch with more information when we can.
