

# Personal Development @ Keelby

At Keelby Primary Academy we recognise our role in developing the whole child, beyond the academic. We facilitate and encourage the development of many diverse aspects of life. We believe that our core values are pivotal in preparing children for their adult lives and teaching them how to engage productively with society as they grow.

## British Values

Including links with the community to celebrate and commemorate significant events. An increased awareness of all members of our community and the diverse world beyond. Caring for our environment locally, impacting upon the wider world.

- School Council – Roles and responsibilities.
- Additional Responsibilities at Keelby: Play leaders, Library Leaders, Milk and Snack Monitors
- Curriculum Links - PE curriculum, Science curriculum, Jigsaw PSHE curriculum – Relationships, Changing Me, Healthy Me
- Whole school assembly schedule, Family Groups, Including Protected Characteristics

## Character Development

Character development begins to develop even before our children join the Keelby family, with a comprehensive transition package of events and experiences, all linked to our core values of respect, empowerment and belief. These values are part of life at Keelby and run through everything that we do at Keelby.

- Learning Behaviours: Collaboration and Motivation, Independence and Connections, Inspiration and Resilience. High expectations referred to and linked to certificates daily
- Citizenship Awards – Participation, Learning, Service and Leadership
- Family Groups – activities, debate and peer support
