Dear Parents/Carers

## U V...alenties Disco !!

I have organised a Valentines Disco with a difference to take place on **Monday 11th February 2019**. The children of Keelby Primary Academy often glow in their achievement and efforts but for one night only they will literally be glowing under the UV lights provided by our regular Entertainer. Children may dress how they like, however fluorescent and white items of clothing will glow. A suggestion would be decorating a plain white t shirt with fluorescent highlighter pens.

We will be selling glow sticks during the evening and there will also be uv face painting for a small charge.

As ever, we would request that all children either have clothing with pockets or bring a bag/purse/wallet for any money they bring with them.

The times for the disco are the same as on previous occasions and therefore Foundation and Key Stage 1 will be 5.30pm to 6.30pm and Key Stage 2 will be 6.45pm to 7.45pm.

As usual, will be selling crisps, cakes, sweets and hotdogs during the evening and these will be sold in the Key Stage 1 area. Please make all children aware that drinks throughout the evening are **free**.

The admission fee will be £1.50 per child. Please return the consent slip below together with the admission fee **no later than Friday 8th February 2019**. Please note that no child can be admitted without a consent slip and all children **must** be collected by an adult at the end of the evening.
