

"Live Interaction" Expectations Charter

These are the things we are going to do in order to make the most of the experience.

- We will behave the same way online during these experiences that we do at school.
- We will think carefully about what we do, say and write.
- We will listen, pay attention and respect the things that are shared by others.
- We will be positive and thoughtful at all times.
- We will remain in front of the camera at all times, the camera must remain on.
- We will make sure that we are prepared to share our ideas when asked.
- We will not switch off our camera, record, unmute, rename or change our background unless we are asked by a member of staff.
- We will make sure that we are sitting somewhere without distracting or inappropriate things in the background.
- Everyone that can be seen will be wearing school appropriate clothes.
