LETTINGS POLICY

Ratified by Governing Body October 2018

To be reviewed July 2021

Signed _____

Chair of Governors

"To support children to succeed academically and be happy, confident, resilient individuals, who are able to embrace the challenges of modern life."

INTRODUCTION

The Law states that governors control the use of the school premises outside normal school hours, but they must comply with any directions given by the Local Authority.

The Local Authority has a legal requirement placed on them to provide accommodation for certain bodies, i.e. community language classes, as outlined in Section P of the HCC Property Matters guide.

The Governing Body regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind. Lettings will only be agreed where it is clear that the security of the school and its contents will not be compromised.

DEFINITION OF A LETTING

A letting may be defined as “any use of the school premises (buildings and grounds) by either a community group, or a commercial organisation.” A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of the premises for activities such as staff meetings, parents’ meetings, School Association activities, Governing Body meetings and extra-curricular activities of pupils supervised by school staff, falls within the corporate life of the school and are not charged.

CHARGES

The Headteacher and Governors are responsible for setting charges for the letting of the school premises. A charge will be levied which covers the following: cost of services, cost of staffing (additional security or caretaking) - including “on-costs”; cost of administration; cost of “wear and tear”; cost of use of school equipment (if applicable); profit element (if appropriate).

Cleaning is not included in letting charges, as all those hiring an area of the school must leave it as they found it. Should this not be the case, a charge for additional cleaning will be made. All letting charges will be reviewed annually and hirers given one month written notice of changes.

MANAGEMENT AND ADMINISTRATION OF LETTINGS

The Headteacher is responsible for the management of lettings, in accordance with the Governing Body’s policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process. For casual lettings, a deposit will be required, in addition to the letting charge.

If the Headteacher has any concern about whether a particular request for a letting is appropriate, or the request is for a regular letting, they will consult with the Chair of the Premises Committee, who is empowered to determine all lettings issues on behalf of the Governing Body. (All decisions should be submitted to the committee for ratification).

All lettings must be supervised by an approved key holder. At the discretion of the Headteacher, long-term lettings can be allowed to be self-supervised providing the hirer supplies appropriate references and contact details have been strictly verified. For health and safety reasons, the kitchen cannot normally be let for catering purposes.

All hirers must have public liability insurance. If they do not, they may use the schools. This must be charged for by the school (5% of the hiring fee for each session). They must also be familiar with fire evacuation procedures and ensure that relevant emergency exit doors are unlocked.

THE ADMINISTRATIVE PROCESS

Organisations seeking to hire the school premises should approach the Headteacher (or School Business Manager), who will identify their requirements and clarify the facilities to be made available, the letting rate and the availability of a key holder to supervise the let.

They must then fill in the request form. (See Appendix B). This request must be confirmed in writing and a copy of the terms and conditions supplied.

The school has the right to refuse all letting requests and terminate all regular lettings at any time. A letting should not take place until a signed agreement has been returned to the school. The person applying to hire the premises will be invoiced for the cost of the letting.

The school will seek 10% deposit for casual lettings, which is not refundable in the event of a cancellation.

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address.

The SBM is responsible for maintaining records for each organisation / individual hiring Kenilworth School premises.

SCALE OF CHARGES (See Appendix A)

CHARGING RATES

The governors determine their own charges for all lets outside the Free Letting Scheme taking into consideration basic running costs, e.g. heating, caretaking and cleaning, etc. These rates are reviewed by the Finance Committee on an annual basis, usually as part of the budget setting process, and the new rates approved through the Governing Body as recorded in their minutes. The new rates are normally implemented from the start of each academic year.

The school is expected to apply the governor approved rates for all hirers to the school. However, to promote community use, the Headteacher may use their discretion to give a 10% discount to certain hirers. This must be discussed with the Headteacher prior to agreement and details recorded with the hirers records.
