These fun, year-long courses support children to develop strong musical foundations through songs, games and instrumental work.

PATHWAYS (AGE 8+)

Our large-group instrumental/vocal lessons for beginners help learners to find an instrument they love to play and establish a healthy playing/singing technique.

**LESSONS AND ENSEMBLES
(AGE 7+)**

We offer a breadth of instrumental and vocal tuition options and group music-making activities to accommodate learners with a wide range of interests, aspirations and levels of experience.

MUSITRAX

BEGINNERS (AGE 5 TO 8 /RECEPTION TO YEAR 2)

Children looking to take their first steps in musical learning are encouraged to join our Musitrax classes. These year-long courses help embed key musical skills and introduce learners to the building blocks of music that shape the world around them.

MUSITRAX SING (5 YEARS OLD)

Songs, games and teamwork encourage musical thinking and doing from the earliest stages.

MUSITRAX TUNE (6 YEARS OLD)

Explore song, rhythm and movement in a year of musical activity.

MUSITRAX PLAY (7 YEARS OLD)
