

Pupil Premium Grant (PPG)

The Pupil Premium for 2016-17 is £17,500.

The details of how this is currently being spent are outlined below. As pupils arrive and leave throughout and during the year, there is a need for a certain amount of flexibility.

Our ethos

We have high aspirations for our pupils at the Kennington Park Academy and believe that as our students often arrive with a history of underachievement due to a wide range of issues, no child should be left behind. We know that in order to be better placed to become successful learners in their next school placement, our children need to be given every chance to reach their full potential – as this will affect them not just in their primary phase, but beyond.

Background to Pupil Premium Grant (PPG)

The pupil premium is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers. Pupil Premium funding is available to both mainstream and non-mainstream schools (such as special schools and pupil referral units). This extra funding is used to raise the attainment of disadvantaged pupils from Reception to Year 11. The funding is aimed at supporting:

- Children who are registered as eligible for free school meals
- Children who have been looked after for 6 months or longer.

Context report :

Kennington Park Academy has the capacity to support 50 pupils aged 5-11 years of age. Our cohort changes throughout the year and some of our students are from very disadvantaged backgrounds and on arrival the gap between some of our students and their contemporaries in mainstream schools can be very wide. We believe that all of our students should be given the best opportunities they can get to achieve and so we use the Pupil

Premium to raise individual achievement in order to give these children a better chance of success when they are back in permanent schools.

Our students often arrive with undiagnosed and/or unmet special educational needs including:

- ADHD
- ASD
- At times comorbidity of the above
- Learning needs e.g dyslexic traits and/or dyscalculia
- SEMH needs including ODD/conduct issues

We have focused this support on speech and language issues, therapeutic needs related to SEMH ,domestic violence and other related difficulties and also upon writing –as this is the biggest learning deficit for our pupils .

PPG (Pupil Premium Grant) = £17,500

				Review date
SALT £324.80 per day	15 x sessions per term 10 x Monday sessions 5 x Tuesday sessions	45 x sessions across the school year	£14,616	April and July 2017
