

**Year 3 and 4 Challenges- Try to complete as many as you can. Please send us pictures or videos online if you can.**

<p><b>Musical Challenge</b> Pick a song you like. Rewrite the song in a different musical style OR write your own lyrics to change the meaning of the song. Is your version even better than the original? Share your version with someone else and play them the original - ask for some feedback. What did they like about their favourite version?</p>	<p><b>Design Technology Challenge</b> Test your construction skills and build the tallest tower you can to support an egg using things you find at home. The tallest chocolate Easter egg measured 10.39m, that's a REALLY big egg!</p>	<p><b>Science Challenge</b> Stroop Effect Make some flash cards each with the name of a colour written on it, but using a different coloured pen for each word. For example pink written with a blue pen. Ask someone to tell you the word on each one and then do it again asking them to tell you the colour. Which one did they find the most difficult? When our minds play tricks on us like this it's called the Stroop Effect.</p> <table border="1" data-bbox="1093 730 1556 837"> <tr> <td>PINK</td> <td>YELLOW</td> <td>ORANGE</td> </tr> <tr> <td>RED</td> <td>GREEN</td> <td>BLUE</td> </tr> <tr> <td>PURPLE</td> <td>BLACK</td> <td>BROWN</td> </tr> </table>	PINK	YELLOW	ORANGE	RED	GREEN	BLUE	PURPLE	BLACK	BROWN	<p><b>Storytelling Challenge</b> Record your story and make your very own audio book and share it with a friend to enjoy.</p>
PINK	YELLOW	ORANGE										
RED	GREEN	BLUE										
PURPLE	BLACK	BROWN										
<p><b>Spelling Challenge</b> How many words can you make with the letters from our school name? (no plurals) KENNINGTON PRIMARY SCHOOL</p>	<p><b>Space Challenge</b> Create a new planet Science, nature and the environment Create a new planet. Think about all the things that your new planet will have. How does it support life? How many days are there in a year? What grows on your planet? Who lives on your planet and how and what do they eat? Your imagination is endless. Create a list of facts, pictures and diagrams.</p>	<p><b>Writing Challenge</b> Sharpen your pencils and get writing! Use these writing ideas to spark your imagination, and get writing. 1: If you could have any secret super power, what would it be and why? 2: Write a short story using these three words: detective, piano, and pizza. Hint: Not sure where to start? Try writing down some ideas on a piece of scrap paper before you start writing your story.</p>	<p><b>Kindness Challenge</b> Design bookmarks that promote and encourage kindness. Give a bookmark to brighten someone's day! You could give a bookmark to your friends, family, or neighbour Send by post or –with an adult- put them through their letterbox.</p>									

<p><b>Art Challenge</b>  Drawing. It is very important to practice drawing and especially drawing from real life objects. Collect 5 to 10 objects that mean something to you. Place them on a table in front of where you are going to draw them. Think about the arrangement of the objects. Are you happy with the layout? Using a pencil only, think about how you can use shading to create the light and dark areas on your object.</p>	<p><b>Learn a new skill Challenge</b>  Is there something you would like to teach yourself or ask a family member to show you? Think about something you have seen other people doing that you haven't tried before, it could be : • Knitting • Sewing • Model making • Cooking • Making a musical instrument • British Sign Language - teach yourself some greetings  You can learn lots of new skills by watching tutorials on Youtube.</p>	<p><b>Growing Challenge</b>  Grow Food from Kitchen Scraps—did you know with little effort and a pinch of creativity you can devise some very imaginative indoor gardens from your kitchen leftovers! Kitchen scrap gardening is when you grow plants from items you'd normally throw away! Carrots and celery are so easy. <a href="https://kidsgardening.org/garden-activities-kitchen-scrap-gardening/">https://kidsgardening.org/garden-activities-kitchen-scrap-gardening/</a>  Take photographs of all the stages of your new plant growing and keep a chart of how long it took.</p>	<p><b>Reading Challenge</b>  Read three different types of book. You could choose... • Folklore and Fairy Tales • Magic and Mystery • Sport • Spooky • Funny • Adventure   Use our online elibrary-<a href="http://kenningtonprimary.wheelers.co">kenningtonprimary.wheelers.co</a>.</p>
<p><b>Favourite Characters Challenge</b>  Pick one of your favourite characters from your favourite book. Imagine, what would their house be like? Draw some pictures of their house: What food would they have on their dinner table? What pictures would be hanging on the wall? What would their garden be like and what clothes would they have in their wardrobe?</p>	<p><b>Geography Challenge</b>  My community.... What's special about where you live? Find out as many facts as you can about the community where you live. 1. Do you live in a village, a town or a city? 2. How many people live there? 3. What is it well known for? 4. Do any famous people come from your community? 5. What facilities does it have, shops, library, café, museum, anything else? 6. What's your favourite thing about living there? 7. What's one thing you would like to change? 8. How would you encourage other people to visit? Create a promotional video, fact sheet or write an article or blog.</p>	<p><b>Creative Challenge</b>  Use your imagination to design a crazy, funny, silly or scary sock monster. Draw your monster design and describe its features. Give your monster a name and a backstory, and label the materials you'll use to bring it to life. Now, recycle an old sock and make your monster come to life! Sew or decorate your monster with recycled materials.</p>	<p><b>Cooking Challenge</b>  Plan and prepare a delicious breakfast to share with family. It's up to you whether you choose a hot or cold breakfast! Try to include some colourful fruit or vegetables for a delicious, healthy feast.</p>
