## ***Equality Objectives 2019 - 2023***

**In accordance with The Equality Act 2010 we hereby detail our Equality Objectives as agreed with the Governing Body:**

1. Provision for EAL children joining and attending the school is more systematic and better resourced across the school with a clear plan and procedures in place for initial assessment, targeted intervention and regular review.
2. To increase the participation of different groups in school activities including extra-curricular activities, sporting events and activities that will increase their cultural capital.
3. To improve the reading habits of those children from Asian Heritage and White British backgrounds.
