

Kennington Primary School Parental Questionnaire 2019

Thank you for taking part in this year's Parental Questionnaire. There was a very good response with 103 completed questionnaires. As you can see, the vast majority of parents are happy with what we do for their child at Kennington. This is backed up by the Ofsted Questionnaire 44 of you completed last week which the inspector said was on the whole very positive. The results can be viewed here

As ever, we will look at how we can get even better over the course of the year and keep you updated along the way.
