## **Statement of intent**

**One Multi Academies Trust** has implemented this policy to assist with recruitment and employee selection. It outlines each academy's recruitment procedure and how the academy ensures safer recruitment is considered at all levels of the recruitment process.

The safety and protection of pupils is always at the forefront of the academy's concerns, which is why this policy aims to embed a robust safeguarding culture into the recruitment practices of each academy and the Trust.

## **2. Purpose**

The purpose of this procedure is to give guidance on the key points to achieving and maintaining a workforce which broadly reflects the local community whilst ensuring full compliance under the Equality Act.

The Trust has this aim in mind when deciding on and operating its recruitment and selection procedure.

## **3. Equal Opportunities**

Fairness in how we recruit and select our employees plays a significant part in creating an equal opportunities environment. Therefore, our aim is that every internal and external applicant for a job within the academy is considered against criteria, which relate only to the requirements of the job.

The academy is aware that an applicant can allege discrimination against an employer although there is no direct employment relationship. Discrimination under the Equality Act 2010.

Those involved in recruitment should be aware that under the Equality Act there are a number of protected characteristics which are: -

- Age
- Disability
- Gender reassignment
- Marriage and Civil Partnerships
- Pregnancy and maternity
- Race
- Religion or belief
- Sex and sexual orientation

It is unlawful to discriminate due to any of these characteristics. Unlawful discrimination could be found in: The offer of employment, e.g. if it were implied that applications from persons who have one or more protected characteristics would not be considered (unless a genuine occupational qualification applies see below)

The terms on which employment is offered, or refusing or deliberately omitting to offer employment, such as deliberate omission from a shortlist on grounds of one or more protected characteristic under the Equality Act.

Where the academy is seeking to recruit into a post that requires **Genuine Occupational Qualification (GOQ)**, HR should be asked for advice. Legal exceptions to the above where there is a genuine occupational qualification (GOQ) are:

- Where the job needs to be held by a man or woman to preserve decency.
- Where the essential nature of the job calls for a man or woman by reason of his or her physiology.
- Where being of a particular racial group is a genuine occupational qualification e.g. providing care/welfare services to a racial group and those services can be best provided by a member of that racial group.

Under the Equal Pay Act 1970 there is also a requirement of equal treatment for men and women, where women and men are employed to do like work in the same employment.

Discrimination in recruitment on the grounds of disability. The Equality Act 2010 requires employers to eliminate discrimination against disabled people at all levels. Disability is defined as a physical or mental impairment having a substantial and long-term (lasting longer than 12 months) adverse effect on the ability of the person to carry out normal day to day activities.

If a disabled person is treated less favourably for a reason that relates to their disability, or there is a failure to make reasonable adjustments in these circumstances it will be seen as unlawful discrimination. The adjustments should be such that disabled persons are not placed at a substantial disadvantage to able-bodied employee.

For example, for the purposes of selection: Ask candidates about any special arrangements they require for the interview prior to the day, such as disabled persons' parking, assistance from their car to the interview room, etc.

Ensure the interview room is appropriate i.e. ground level (or has a functional lift), is easily accessible for a wheelchair user, has a clear path from the door to the candidate's seat, is not unduly noisy and has adequate lighting.

Under the Equality Act there is a requirement to make reasonable adjustments. It would be reasonable for an applicant with a hearing or speech impairment to be allowed to bring an interpreter or be provided with an induction loop to aid hearing and or a written copy of the questions to be asked during the interview, etc.

Applicants should be asked when inviting them to interview if they will require any adjustments to enable them to attend the selection process.

The following steps should be followed if there is a disabled applicant:

Alert both reception and other members of the interviewing panel. Modify procedures for testing or assessment.

Provide a reader or interpreter.

When appointing a successful candidate, consider the need for: Making adjustments to the premises. Altering the working hours. Arranging for them to be given training. Acquiring or modifying equipment. Modifying instructions/reference manuals. Providing supervision.

#### Discrimination on the grounds of age

Discrimination on the grounds of age affects people of all age groups. Age discrimination is a combination of several unconscious attitudes and habits that add up to exclusion on grounds of age.

These can include Stereotypes and assumptions about people of defined age groups rather than treating them on their individual merits. Perceptions that older workers cost more. Undervaluing the skill and experience which older workers can provide. A view that older people may be less willing to train, are harder to train or unlikely to remain long enough to justify the training investment. A view that young people may be irresponsible or lack commitment. Overlooking younger members of staff for promotion or management positions on the assumption they are inexperienced due to their age.

Age related criteria should not be used in advertisements or person specifications.

#### Discrimination based on trade union membership

Candidates must not be refused employment on grounds of union membership e.g. because: they are or are not a member of a trade union. They are unwilling to become or cease to be a member of a trade union.

## **4. Definitions**

**“Regulated activity”** includes:

- Being responsible, on a regular basis in an academy or college, for teaching, training, instructing, caring for or supervising children if the person is

unsupervised, or providing advice or guidance on physical, emotional or educational wellbeing, or driving a vehicle only for children.

- Working for a limited range of establishments (known as 'specified places', which include academies and colleges), or in connection with the purposes of the establishment, with the opportunity for contact with children, but not including work undertaken by supervised volunteers.
- Engaging in intimate or personal care or healthcare or any overnight activity, even if this happens only once.

Regulated activities do not include:

- Paid work in specified places which is occasional and temporary and does not involve teaching or training.
- Supervised activities which are paid in non-specified settings.
- A supervised volunteer who regularly teaches or looks after children.

**"Teaching role"** refers to a role involving planning and preparing lessons and courses for pupils; delivering lessons to pupils; and assessing and reporting on the development, progress and attainment of pupils. These activities are not teaching work for the purposes of KCSIE if the person carrying out the activity does so (other than for the purposes of induction) subject to the direction and supervision of a qualified teacher or other person nominated by the Principal to provide such direction and supervision.

A **"standard DBS"** provides information about convictions, cautions, reprimands and warnings held on the Police National Computer, regardless of whether they are spent under the Rehabilitation of Offenders Act 1974. The law allows for certain old and minor matters to be filtered out.

An **"enhanced DBS"** provides the same information as the standard DBS, plus any additional information, e.g. interviews and allegations, held by the police which a chief officer reasonably believes to be relevant and considers ought to be disclosed.

An **"enhanced DBS with barred list check"** check is required for when people are working or seeking to work in regulated activity with children. This check allows for additional checks to be made as to whether the person appears on the children's barred list.

The **"children's barred list"** is a list maintained by the DBS which covers individuals who are unsuitable to work with children and vulnerable adults. In addition, where an enhanced DBS including a barred list check is obtained, the certificate will also detail whether the candidate is subject to a direction under section 128 of the Education and Skills Act 2008 or section 167A of the Education Act 2002.

A **"section 128 check"** provides for the Secretary of State to direct that a person may be prohibited or restricted from participating in the management of an independent academy (which includes academies and free academies). A person prohibited

under section 128 is also disqualified from holding or continuing to hold office as a governor of a maintained academy.

“**Safer recruitment**” is the safeguarding and protection of pupils during the recruitment and selection process. Its overall purpose is to help identify and deter or reject individuals who are deemed to be at risk of abusing children.

## 5. Roles and responsibilities

The Employer (OMAT) is responsible for:

- Agreeing and monitoring effective policies to ensure recruitment at the academy is in accordance with the legislation outlined above.
- Ensuring that staff recruitment is as safe as possible, as well as fair and compliant with the relevant legislation.
- Ensuring appropriate checks have been carried out on staff, volunteers, contractors and agency workers working within the academy.
- Appointing an appropriate recruitment panel.
- Ensuring that all recruitment panel members have undertaken unconscious bias training before the selection process begins.
- Ensuring that at least one member of the recruitment panel has undergone safer recruitment training.
- Ensuring that all members of the recruitment panel understand their role, i.e. advisory or decision making.
- Monitoring the advertising of vacancies, assessing how they are being advertised and whether the adverts are maximising all the opportunities to attract the appropriate candidates.
- Benchmarking the success of any advertising methods used, as well as the overall success of the recruitment process.
- Ensuring a Trustee, LAB Governor, CEO and Trust HR are on the recruitment panel for a new Principal.
- Ensuring that all members of the recruitment panel are familiar with their obligations with regards to safer recruitment, as set out in KCSIE.
- Monitoring the academy's SCR to ensure that the necessary vetting checks for employees are carried out.
- Ensuring that equal opportunities are established and implemented throughout the recruitment process.
- Ensuring that the salary of the successful candidate is determined.
- Accommodating the needs of new employees and making reasonable adjustments when necessary.
- Ensuring that they have the skills to carry out effective selection processes, including knowing when and how to request references.
- Establishing a recruitment panel including at least one individual who has completed safer recruitment training within the past five years.

The recruitment panel is responsible for:

- Creating the advert and ensuring it meets all the necessary requirements.
- Shortlisting the potential candidates with the aim of reducing the application field and identifying those with the potential to effectively undertake the role.
- Appropriately delegating responsibility for recruitment to the Principal.
- Setting appropriate recruitment procedures, as per the scheme of delegation.
- Ensuring that the interview addresses leadership ability, team working skills, integrity, understanding of the academy's ethos and vision, and why the candidate believes they would be a good fit for the academy.
- Ensuring that the interview addresses safeguarding practices.
- Ensuring that the interview addresses the candidate's motivation, reasons for being interested in joining the academy, and attitude to working with children.
- Appointing an appointing officer who will be responsible for the entire management of the recruitment process.
- Agreeing with the successful candidate when other members of the academy community will be informed about their appointment, including staff members and parents.
- Ensuring that references have been received where requested.
- Ensuring that all references for a shortlisted candidate are obtained prior to interview, properly scrutinised, and that information is not contradictory, unclear, or incomplete, with clarification requested when appropriate.
- Asking previous employers of new staff members whether the individual has been subject to capability procedures in the previous two years.
- Where possible, ensuring that the shortlisting panel and interviewing panel are comprised of the same people.

The academy (through its HR Officer) is responsible for:

- Managing the entire recruitment process.
- Sourcing suitable candidates.
- Acting as a point of contact between candidates and the academy.
- Involve Trust HR in all senior management recruitment campaigns.
- Reviewing and scrutinising candidates' applications and identifying any gaps.
- Preparing the recruitment panel to conduct interviews.
- Organising interviews with shortlisted candidates.
- Ensuring the recruitment process is carried out in line with the relevant academy policies.
- Ensuring that the candidate chosen to fill a vacancy is suitable for the role.

The Principal and/or CEO are responsible for:

- Ensuring appropriate checks have been carried out on prospective staff, volunteers, contractors and agency workers working within the academy or Trust.

- Ensuring that appropriate supervision of employees and volunteers is organised, and for promoting the safety and wellbeing of pupils generally and throughout the recruitment process.
- Overseeing all recruitment at the academy and/or Trust.
- Ensuring that the successful candidate receives the appropriate training, e.g. safeguarding and induction.
- Ensuring that all relevant staff members are familiarised with this policy.

During the recruitment process, and especially during the initial stages, the recruitment panel and the Principal will be watchful of candidates displaying the following characteristics:

- No understanding or appreciation of children's needs
- Expressing that they want the role to meet their needs at the expense of children
- Using inappropriate language in relation to children
- Expressing extreme views or views that do not support safeguarding practices
- Displaying unclear boundaries with children
- Providing vague answers when asked about their experience and being unable to explain gaps in their employment

The academy's HR officer is responsible for:

- Deciding when it is appropriate or necessary to disclose any safeguarding concerns or allegations as part of a reference, in line with KCSIE.
- Discussing with the Principal the suitability of a candidate when a reference has disclosed safeguarding concerns or prior allegations.

## **6. Planning, advertising and shortlisting**

The job information and associated documents will be published on the Trust website. The full requirements of the role will be clearly explained, including any employment vetting requirements such as a DBS check.

The recruitment panel will typically comprise of the academy's HR Officer who has been responsible for the management of the entire recruitment process, and at least two other members of staff, with the Principal usually being one of these. The recruitment panel will be an odd number so majority votes can be cast. At least one member of the recruitment panel will have successfully completed up-to-date safer recruitment training. The recruitment panel will create the advertisement.

Once a vacancy has been identified, the academy will allow an appropriate amount of time for planning and structuring the recruitment process.

The Principal will:

- Decide if the vacancy needs to be filled.
- Decide if the vacancy can be advertised internally taking into account equal opportunities considerations.
- Decide if vacant post needs to be amended in duties and grade.
- Decide on the appointment process i.e formal advert, interview or via discussion.
- Decide on the recruitment timeframe.
- Decide who will be involved in the process and what their roles will be, e.g. who forms the recruitment panel and who will lead interviewing.
- Prepare the documents that will be provided to candidates, including the job description, person specification and application form – ensuring that these documents contain a clear message about safeguarding, the checks that will be carried out and that references will be sought.
- Ensure that application packs, where relevant, state that candidates must be willing to sign a self-declaration form to obtain information about staff disqualification, in line with the Childcare Act 2006.

### **Advertising**

The academy will consider the following information when advertising for a role within the academy:

- The skills, abilities, experience, attitude and behaviours required for the post
- The safeguarding requirements, including to what extent the role will involve contact with children and whether the appointed staff member will be engaging in regulated activity

Advertisements will include:

- A statement of the academy's commitment to safeguarding and promoting the welfare of pupils whilst making clear that safeguarding checks will be undertaken.
- The safeguarding responsibilities of the post as per the job description and person specification.
- Information surrounding whether the post is exempt from the Rehabilitation of Offenders Act 1974 and the amendments to the Exceptions Order 1975, 2013 and 2020.

Vacancies can be advertised through internal and/or external media, such as the local newspaper, with due consideration to the academy's Staff Equality, Equity, Diversity and Inclusion Policy, ensuring that the advertisement reaches a wide range of groups. Advertisements will contain a statement of commitment to ensuring equal rights. Advertisements will include, or link to, a job description, person specification and detail the closing date. The contact number of the academy's HR officer and details of the application process will be clearly outlined.

Application forms will be accessible on the academy's website.

The academy may utilise social media for recruitment, and if doing so, will create a social media recruitment strategy to ensure that the advertisement is reaching the right people and is communicating the ethos of the academy effectively.

When an advert receives a response, the recruitment panel will ensure that candidates receive the application pack.

### **Application forms**

Applicants will be reminded in the application form or elsewhere in the information provided to applicants that it is an offence to apply for the role if they are barred from engaging in regulated activity relevant to children.

The academy will also provide a copy of the Child Protection and Safeguarding Policy and information on employment of ex-offenders in the application pack.

Applicants will be required to provide the following:

- Personal details, e.g. their current and former names, current address, and national insurance number
- Details of their current or most recent employment, including the reason for leaving
- Full employment history, including explanations for any gaps in their employment
- Qualifications, the awarding body and the date of the award
- Details of references
- A statement of their personal qualities and an explanation of why they meet the person specification to be a suitable candidate for the role
- A declaration form outlining whether they are barred from teaching

The academy will only accept a CV alongside a completed application form; a CV on its own will not be accepted. When shortlisting candidates for an interview, all application forms will be considered. Shortlisting criteria will be agreed in advance by the recruitment panel.

Candidates who are shortlisted will meet all the essential aspects of the person specification requirements. The academy will ensure that the shortlisting process is as systematic as possible, and that the recruitment panel reads through all applications. Each member of the panel will create their own shortlist which will then be collated and discussed. Candidates will be assessed against the same shortlisting criteria to ensure a fair process.

Where applicable, the academy will use the application form to make clear that shortlisted candidates will be subject to online searches.

### **Shortlisting**

Shortlisted candidates will be asked to complete a self-declaration of their criminal record or disclosure of any information making them unsuitable to work with children.

Only those candidates who have been shortlisted will be asked to disclose any relevant information including:

- Information of any criminal offences committed.
- If they are known to the police and children's social care services.
- Whether they have been disqualified from providing childcare.
- Any relevant overseas information.

Applicants will need to sign a declaration which confirms that the information they have provided is true.

When shortlisting candidates, the academy will:

- Ensure that at least two people carry out the shortlisting proceedings – ideally, these two people will also conduct the interview.
- Assess whether there are any inconsistencies or gaps in the candidate's employment and consider the reasons given for them.
- Undertake online searches, as necessary, and explore any further potential concerns.

Requests for further information from candidates will be replied to promptly. All applications will be replied to with a letter notifying candidates whether they have been shortlisted or not.

Interviews will be arranged for the shortlisted candidates.

## **7. Invitation to interview**

Before interview invitations are sent, the recruitment panel will ensure that application packs are sent and include the following:

- A copy of the advertisement
- A comprehensive job description
- A comprehensive person specification
- Any equal rights material, e.g. an equal opportunities statement
- A brief outline of the academy, its values and aims
- Any relevant academy policies, e.g. the Child Protection and Safeguarding Policy

Once a shortlist has been confirmed, the candidates to be invited for interviews will be contacted by HR and suitable interview times will be decided. The recruitment panel will ensure that all shortlisted candidates receive information about the interview arrangements, how they will be conducted, the areas that will be explored and what documents they should bring.

## **8. Pre-interview checks**

The recruitment panel will complete the necessary pre-interview checks.

Pre-interview checks will include the following:

- Requesting a minimum of two references from each shortlisted candidate directly from the referees – where possible, one reference will be obtained relating to the role in which the candidate worked with children
- Verifying that the candidate has qualifications or experience relevant to the post
- Checking references against application forms and noting down discrepancies or concerns, and following up these concerns with referees
- Checking and, where necessary, following up candidates' self-declaration forms

## **9. Requesting references**

Once a candidate, including an internal candidate, has been shortlisted for a position, references will be requested and scrutinised by the recruitment panel. Any concerns will be resolved satisfactorily prior to confirming an appointment. References will always be requested directly from the referee and from a senior person with appropriate authority, rather than a colleague. The academy's standard request form will always be used to obtain references.

References will be requested in written form from the candidate's current employer – if they are unemployed, verification of their most recent period of employment and reasons for leaving will be obtained from their previous employer. Wherever possible, at least one reference will be from employment through which the candidate worked with children.

If the applicant has never worked with children, the academy will ensure that a reference from their current employer is received.

If the candidate is an academy leaver or has not been in work for over two years, a character reference will be requested.

When a candidate is applying for a teaching role (including the role of Principal), information about the details of any capability procedures in the previous two years that they may have been subject to, and the reasons for these, will be requested from their current or former employer.

Concerns raised following a candidate's references will be explored further with the referee where appropriate and discussed with the candidate at interview.

Open references, e.g. 'to whom it may concern' testimonials, and unverified information provided by the candidate as part of the application process, will not be relied upon. Electronic references will be checked to ensure that they originate from a legitimate source.

## **10. Checking references**

References will be checked upon receipt to ensure that all questions have been answered satisfactorily, and that information is not contradictory or incomplete. The referee will be contacted to provide further clarification where appropriate, e.g. if some answers are vague or insufficient, or contradictory information has been provided. The reference will be compared for consistency with the information on the candidate's application form. Discrepancies between the reference and the application form will be discussed with the candidate at interview.

Where a reference appears incomplete or other concerns arise, the academy will carry out one of the following actions:

- Call the referee to discuss the reference further
- Email the referee the reference for confirmation of its accuracy

The recruitment panel will ensure that any past disciplinary action or allegations disclosed as part of a reference are considered carefully when assessing the candidate's suitability for the role. If this involves safeguarding or potential safeguarding concerns, the DSL will be consulted to help assess the candidate's suitability.

Before deciding not to appoint a candidate based on an unsatisfactory reference, the recruitment panel will consider if HR advice is necessary. Once the decision is made, the Principal will record this on the recruitment file as the reason for non-appointment.

All members of staff who provide a reference will be responsible themselves for checking the content to ensure that it only contains factual and verifiable statements. If there is any doubt about whether to include information, caution will be exercised, and it will be omitted. Alternatively, advice will be sought from a senior figure, e.g. the Principal or the chair of the LAB.

## **11. Providing references**

References will only be provided once written consent has been obtained from the person requesting a reference.

The member of staff providing a reference will follow this policy's procedures and the prospective employer's requests as much as is reasonably possible, e.g. if a pro-forma is provided, they will complete the form. If the reference is not requested in a specific format, the member of staff will decide the most appropriate method, e.g. a pro-forma or a letter-formatted reference.

The Principal will decide in exceptional circumstances if a reference cannot be provided or if certain questions asked by the prospective employer cannot be answered, with HR advice sought when appropriate.

Staff members will make the Principal aware when they have been asked to provide a personal reference, e.g. for a current or former colleague. The staff member will make it clear within the reference that it is a personal one and is not written for or on behalf of the academy. The staff member will use their own paper or an email address unaffiliated with the academy and ensure that the reference is not linked to the academy in any way.

Details of any capability procedures in the previous two years for a teacher (including Principal) or former teacher at the academy, and the reasons for these, will be provided if requested.

If, as part of a settlement agreement, the academy has agreed to provide a reference for a member of staff, the Principal will ensure it is provided in line with the agreement and this policy. In circumstances where new evidence emerges that indicates information provided in the reference is incorrect, the Principal will decide if the reference is changed or withdrawn, with legal advice sought where necessary, and will notify the employee of any decision first.

The academy will ensure that any information provided confirms whether they are satisfied with the applicant's suitability to work with children and only provide the facts of any substantiated safeguarding concerns or allegations, including a group of low-level concerns about the same individual, that meet the harm threshold.

Any repeated concerns or allegations which do not meet the harm threshold which have been found to be false, unfounded, unsubstantiated, or malicious will not be included in any reference.

## **12. Content of references**

Basic information will always be expected in references received and provided, e.g. skills, knowledge, duties undertaken, experience working with children, and personal characteristics, in addition to any information relating to safeguarding. Further relevant comments will be made as much as is reasonably possible in line with the employer's requests, provided they are verifiable and objective, e.g. through appraisals or attendance records.

References will contain only factual and verifiable information and will not include speculation, e.g. about a former employee's suitability for a job, or hearsay. The person providing the reference will ensure all comments have a factual basis and that an impression is not given which is misleadingly positive or negative. Performance issues or concerns which have not been discussed or raised with the employee beforehand will not be mentioned.

All members of staff providing references will be made aware that information provided verbally to the prospective employer is subject to the same duties as written information and will avoid making verbal statements. Where it is necessary or appropriate, verbal information will be provided only in line with this policy's procedures, e.g. all statements must be verifiable and objective.

### **13. Previous disciplinary action**

The recruitment panel will ensure that any references requested by the academy include a section asking for any past disciplinary action or allegations to be disclosed. Any disclosures will be carefully considered when assessing the candidate's suitability for the role, in line with this policy.

Information from DBS checks will not be included in references provided by the academy. Information regarding criminal offences from other sources will not be included, unless the Principal deems it appropriate and HR advice has been sought.

When providing references, the disclosure of information about past disciplinary action or allegations not relating to safeguarding will be provided where it is deemed appropriate, e.g. it is relevant to the staff member or former staff member's suitability for the role. Information relating to disciplinary action will generally only be disclosed if penalties or sanctions remain in place for the employee.

Allegations which were proven to be false, unsubstantiated or malicious, e.g. relating to misconduct, will not be included in a reference – this includes if it is a history of repeated concerns or allegations which have been found to be false, unsubstantiated or malicious. The member of staff providing the reference will make no comments about their own personal views on the veracity of allegations.

If an allegation exists which has yet to be investigated or an investigation is incomplete, the Principal will seek HR advice, and legal advice where necessary, on what information, if any, should be provided to the prospective employer.

### **14. Use of data and confidentiality**

Personal data relating to references will be handled in line with the Data Protection Policy. All references will be properly addressed and marked private and confidential.

In accordance with the Data Protection Act (2018) and the UK GDPR any personal information will be processed fairly and lawfully and will be kept safe and secure e.g. in locked, non-portable containers or, for electronic information, password protected. Access will be strictly controlled and limited to those who are entitled to see it as part of their duties.

Information relating to an individual's health and sensitive personal data, e.g. information relating to the individual's ethnicity, religion or trade union membership,

will not be disclosed as part of a reference unless 'express consent' has been received from the individual for this purpose.

The person requesting a reference will be offered the opportunity to see it before it is sent, unless the Principal decides this is not appropriate; however, the academy is aware that ultimately, they cannot prevent the person receiving a copy in line with the Data Protection Act. If the person raises comments about the reference before it is sent, the member of staff responsible for the reference will consider the comments and, if they decide to leave it unchanged, record the reason(s) behind their non-agreement.

## **15. Online searches on shortlisted candidates**

In line with KCSIE, the academy will carry out online searches on shortlisted candidates as part of its due diligence. Online searches solely aim to help identify any incidents or issues that have happened, and are publicly available online, that the academy may want to explore with the applicant at interview.

Online searches will be conducted on shortlisted candidates only, and only where the academy considers this appropriate. The academy will consider any potential risks of online searches, e.g. unlawful discrimination or invasion of privacy, and will ensure staff conducting online searches are clear on the purpose of the search. Shortlisted candidates will be made aware that online searches may be conducted as part of due diligence checks.

Online searches will only examine data that is publicly available. Staff will not 'follow' or submit a friend request to shortlisted candidates on social media platforms to access further details or information.

Where possible, online searches will be carried out by an individual who is independent of the recruitment process to minimise the risk of bias or discrimination and to ensure that only relevant information is considered. The person responsible for carrying out online searches will have due regard to Part three of KCSIE.

The online search process may include searching for the candidate by name via search engines and social media platforms.

When carrying out searches of shortlisted candidates' online presence, the academy will look out for indicators of concern, such as:

- Inappropriate behaviour, jokes or language.
- Discriminatory comments.
- Inappropriate images.
- Drug or alcohol misuse.
- Anything that suggests the candidate may not be suitable to work with children.
- Anything that could harm the reputation of the academy.

Any concerns will be addressed during the interview process. The academy will ensure that candidates are given an opportunity to discuss any concerns raised by the online search.

## **16. The interview**

During the interview process, candidates will be asked standard questions, and their responses will be recorded for ease of comparison by the interview panel. Any concerns raised through contact with referees will be discussed with the candidate at this stage. The recruitment panel will ask open questions to assess the candidate's experience and suitability for the post, and to explore the candidate's motivation towards safeguarding and their suitability to work with children. The academy will use a range of selection techniques to identify the most suitable person for the post.

Interview questions seek to:

- Find out what attracted the candidate to the post being applied for and their motivation for working with children.
- Exploring their skills and asking for examples of experience of working with children.
- Looking at any gaps in employment or where the candidate has changed employment or location frequently and asking about the reasons for this.
- Seek examples of the candidate's previous experience.

Interviews will also be used to explore the potential areas of concern to determine the applicant's suitability to work with children.

Areas that may raise concerns and lead to further enquiry include:

- Implication that adults and children are equal.
- Lack of recognition or understanding of the vulnerability of children.
- Inappropriate idealisation of children.
- Inadequate understanding of appropriate boundaries between adults and children.
- Indicators of negative safeguarding behaviours.
- Attempts to push or overstep boundaries.
- Consistent rule-breaking behaviour.

Candidates shortlisted for interview will be given the opportunity to complete a self-disclosure form before their interview, to give the interview panel time to consider the information provided. Candidates will also be asked to show proof of identification and qualifications at interview – this proof will be viewed and checked by the interview panel.

The candidate will be given the opportunity to discuss any concerns or ask any questions. The process will always comprise a face-to-face interview; however, the recruitment panel will also request that candidates complete additional exercises:

## **17. After the interview**

After the interview has been completed, the recruitment panel will:

- Assess all candidates' performance using the same agreed criteria.
- Ask the successful candidate to provide proof of identification and qualifications for the academy's records, and to complete the DBS check as soon as possible.
- Contact and provide feedback to the unsuccessful candidates – feedback will be verbal and based on evidence of their performance against the person specification for the role.

Interview notes and assessment materials will be held securely for an appropriate amount of time after the interviews, in line with the Records Management Policy, in case any aspect of the recruitment process is challenged.

After choosing a successful candidate, the academy will:

- Make a conditional offer of employment to the candidate.
- Ask the successful candidate to provide identification and proof of qualifications, if this has not already been done.
- Complete the relevant pre-appointment checks.

Any spent or filtered convictions declared on the candidate's self-declaration form, or declared at interview, will not affect the offer of employment if already made; however, the academy will undertake the relevant assessments to determine whether the candidate is suitable to work in the academy.

## **18. Remote recruitment**

The academy will follow all the requirements set out in this policy when recruiting remotely, changing only the in-person nature of the interview, and implementing the necessary additional steps to support this. The ICT technician will research and select a suitable online platform through which online interviews may take place, taking into account ease of use, privacy measures and suitability for the purposes of online interviews. Online interviews will be conducted in line with the academy's ICT and Electronic Devices Policy and Data Protection Policy at all times.

Staff members conducting an online interview will ensure they understand how to operate the various relevant functionalities of the online interview platform, e.g. how to share their screen, prior to the interview commencing. Staff members conducting an online interview will ensure privacy settings are adjusted appropriately on the provider's site or application.

The academy will be aware of, and have due regard for, the potential risks associated with online communication, e.g. ease of anonymity, and will ensure it takes suitable precautions, e.g. encrypting data where possible. The academy will ensure that any tasks set for candidates during the interview are compatible with the online nature of the interview, e.g. they do not require the exchange of physical paper resources.

The academy will communicate its expectations to candidates regarding the use of the online platform in good time prior to the interview. These expectations will include, but will not be limited to, the following:

- The candidate will participate in the interview with both the video camera and microphone features enabled at all required times
- Show a form of ID to confirm their identity to the panel
- The candidate will participate in the interview in a suitable setting – a quiet area with a neutral background
- The candidate will keep personal information, which is not relevant to the recruitment process private, e.g. their email password, and will not ask the staff members conducting the interview to share any such private information
- Where necessary, the candidate will be aware that the academy will record the online interview, and that they will be required to consent to this in order for the interview process to continue

When recording an online interview, prior permission will be acquired from the candidate in writing via email and all members of the interview will be notified before the interview commences via email, and again once they have joined the interview before recording commences. If the candidate does not provide consent to recording the interview, the academy will consider whether the online interview can still take place in line with academy's safeguarding and records management responsibilities.

The academy will not discriminate against candidates who are recruited remotely; they will be considered fairly alongside any candidates who are not recruited remotely.

If a candidate refuses to interview remotely, the academy will consider whether alternative arrangements for an in-person interview are possible, having due regard to the academy's equality duties at all times. If this is not possible, then the academy will sensitively inform the candidate that the remote interview process is a requirement of the application process and have a considerate and good-natured discussion with the candidate as to whether they can continue with the recruitment process at this time. The academy will direct candidates towards the DfE's advice on '[Attending your first remote interview](#)' prior to the interview.

## **19. Pre-appointment checks**

All appointments will be conditional on satisfactory completion of the necessary pre-appointment checks. These checks seek to identify whether there is anything that

would make the candidate an unsuitable appointment for working with children or as a teacher.

When appointing new staff, the academy will:

- Verify the candidate's identity, e.g. checking the name and birth date on a birth certificate and verifying any name changes.
- Obtain an enhanced DBS check via the candidate and, for candidates engaging in regulated activity, barred list information.
- Obtain a separate children's barred list check if the individual will start work in regulated activity with children before the DBS certificate is available.
- Verify a candidate's mental and physical fitness to carry out their role.
- Verify the person's right to work in the UK.
- Make further checks as appropriate on any individual who has lived or worked outside the UK.
- Verify professional qualifications, as appropriate.
- Ensure that appropriate checks are carried out to ensure that individuals employed to work in Reception classes, or in wraparound care for children up to the age of 8, are not disqualified from working in these settings under the 2018 Childcare Disqualification Regulations.
- For those in management, trustee or governor roles, conduct a section 128 check.

The recruitment panel will ensure any candidate employed to carry out teaching work is not subject to a prohibition order, or any sanction or restriction imposed (that remains current) by the GTCE before its abolition in March 2012.

The recruitment panel will assess all cases fairly and on an individual basis. Where a decision has been made not to appoint somebody because of their convictions, it will be clearly documented to enable the academy a chance to defend its decision if challenged.

The academy will consider the following when assessing any disclosure information on a DBS certificate:

- The seriousness and relevance to the post which they have applied to
- How long ago the offence occurred
- The country where the offence occurred
- Whether it was a one-off incident or a history of incidents
- The circumstances around and at the time of the incident
- Whether the individual accepted responsibility for what happened
- Whether the offence has been decriminalised

If the academy has reason to believe that an individual is barred, it is an offence under section 9 of the Safeguarding Vulnerable Groups Act (SVGA) 2006 for the academy to allow the individual to carry out any form of regulated activity.

Checks for all prohibitions, directions, sanctions and restrictions will be carried out by using the secure access portal on the Teacher Services' [web page](#).

In line with KCSIE, the academy will not require candidates to have an enhanced DBS certificate or undergo checks for events that may have occurred outside the UK if, in the three months prior to their appointment, the candidate has worked in England in a post:

- In an academy which brought them into regular contact with children or young people; or
- In an academy since 12 May 2006 which did not bring the person into regular contact with children or young people; or

This is because the candidate will have already undergone this process in their previous position.

## **Volunteers**

For all volunteers, the academy will undertake a written risk assessment and use professional judgement and experience when deciding what checks, if any, will be required.

All unsupervised volunteers engaging in regulated activity will be required to provide the academy with an enhanced DBS check with a barred list check. Existing volunteers in regulated activity do not need to be re-checked if they have already had a DBS check (including barred list information); however, the academy may decide to conduct a repeat DBS check.

The academy will only request barred list information for volunteers in regulated activity.

For candidates who have lived outside the UK, all mandatory checks outlined in this policy will be carried out, along with additional checks where necessary, including an enhanced DBS certificate with barred list information for those engaging in regulated activity, even if they have never been to the UK before.

The academy will make any further checks that it deems appropriate so that any relevant events occurring outside the UK can be considered, e.g. obtaining proof of past teaching conduct for any candidate for a teaching position from the professional regulating authority in the country in which they worked, where available.

If a candidate is unable to provide the correct documentation, they cannot submit a DBS check. This is because the right to work in the UK cannot be established.

Following the UK's exit from the EU, academies and colleges should apply the same approach for any individuals who have lived or worked outside the UK regardless of whether or not it was in an EEA country or the rest of the world.

## **Agency and third-party staff**

In the case of any employee working at the academy who is sourced from an agency or third-party organisation, the academy will obtain written notification from the organisation confirming that they have carried out the same checks as the academy would otherwise perform on any individual who will be working at the academy, or who will be providing education on the academy's behalf, including through online delivery. Confirmation will also be obtained that the individual who presents for work is the same person on whom all checks have been completed. A copy of photographic identification will generally be kept where appropriate.

The academy will obtain a copy of the enhanced DBS certificate from the agency or third-party organisation where it has been obtained before the person is due to commence work and has disclosed any matter or information.

### **Trainee and student teachers**

The academy will ensure that enhanced DBS certificates and barred list checks are obtained on all salaried candidates for initial teacher training who are in regulated activity.

Where trainee teachers are fee-funded, it is the responsibility of the initial teacher training provider to carry out the necessary checks. The academy will obtain written confirmation from the agency that the checks have been carried out.

### **Existing staff**

If a member of staff moves from a post that was not regulated activity to one that is, the relevant checks will be carried out.

Where an existing member of staff is moving to regulated activity, the recruitment panel will carry out further checks where there is a concern about a member of staff's suitability to work with children. An investigation will be carried out to gather enough evidence to establish if an allegation has a foundation. The employer of the academy will ensure they have sufficient information to meet the relevant referral duty criteria, as outlined in the DBS's barring referral guidance.

The academy will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- The harm test is satisfied in respect of that harm.
- The individual has received a caution or conviction for a relevant offence, or if there is reason to believe that the individual has committed a listed relevant offence.
- The individual is deployed to another area of work not in regulated activity, or where they have been suspended.

Referrals to the DBS will be made on conclusion of an investigation where an individual has been removed from regulated activity. Referrals to the DBS will be made as soon as possible after the resignation, removal or redeployment of the staff member.

## **Contractors (including after academy clubs and enrichment providers)**

The academy will ensure that any contractor, or any employee of the contractor, has been subject to the appropriate level of DBS check. Contractors engaging in regulated activity will require an enhanced DBS certificate (including barred list information). For all other contractors who are not engaging in regulated activity, but whose work provides them with an opportunity for regular contact with children, an enhanced DBS check (not including barred list information) will be required. Under no circumstances will a contractor in respect of whom no checks have been obtained be allowed to work unsupervised or engage in regulated activity.

The academy will set out its safeguarding requirements in the contract between the contractor's organisation and the academy.

If a contractor is self-employed, the academy will consider obtaining the DBS check, as self-employed people are not able to make an application directly to the DBS on their own account. The academy will always check the identity of contractors and their staff on arrival.

## **Adults who supervise children on work experience**

If the academy is organising work experience placements, it will ensure that the placement provider has policies and procedures in place to protect children from harm. More information related to checks on work experience providers is outlined in the academy's Work Experience Policy.

## **Children staying with host families**

The academy may make arrangements for a child to have learning experiences where, for short periods, the child may be provided with care and accommodation by a host family to whom they are not related. In these circumstances, the LA will be consulted.

## **LAB Governors**

The LAB may request an enhanced DBS certificate without a barred list check on an individual as part of the appointment process for governors. An enhanced DBS certificate (which will include a barred list check) will only be requested if the governor will be engaging in regulated activity; this also applies to volunteer governors.

Associate members will not be asked to undertake a DBS check.

Trustees, members and LAB governors will be subject to a section 128 check.

Newly appointed chairs of trustees will be subject to a suitability check, which includes:

- An identity check.

- Confirmation of the right to work in the UK.
- An enhanced DBS check.
- Where required, additional information if the individual has lived outside the UK for a period of 12 months or longer.

## 20. Right to work checks

Each academy will obtain evidence that all candidates for a position have the right to work in the UK by either conducting a manual document-based check, or by using the government's [online portal](#). This will be done before a candidate is offered a position.

When conducting a manual, document-based check, the academy will ensure that the documents received from candidates are acceptable in line with government guidance, and from the appropriate list: List A for candidates with a permanent right to work in the UK, or List B for candidates with a temporary right to work in the UK. Checks on documents will be conducted in line with [section 19](#) of this policy.

The academy will obtain proof of candidates' immigration status in the UK.

The academy will contact the Home Office in the event that a statutory excuse must be established in the following circumstances:

- The candidate provides a document confirming receipt of an application to EUSS on or before 30 June 2021
- The candidate provides a non-digital certificate of application confirming receipt of an application to the EUSS on or after 1 July 2021
- The academy has checked a digital certificate of application and has been directed to the Home Office's Employer Checking Service
- The candidate provides an Application Registration Card stating the holder is permitted to undertake the work in question
- The academy is satisfied it has not been provided with any acceptable documents because the candidate has an outstanding application with the Home Office made before their previous permission expired, or has an appeal or review pending against the Home Office's decision and cannot provide evidence of their right to work as a result
- The academy considers that it has not been provided with any acceptable documents, but the person presents other information indicating they are a long-term resident of the UK, i.e. having arrived before 1988.

The academy will not make assumptions about a person's right to work in the UK, or their immigration status, on the basis of their race, ethnicity, nationality, length of residence in the UK or background. All candidates, including British citizens, will have their right to work in the UK checked.

Where a candidate's right to work is time-limited, the academy will conduct a follow-up check in advance of its expiry.

The academy may use a certified digital identity service provider (IDSP) to conduct right to work checks on candidates.

## **21. Identification checking process**

When checking the validity of identifying documents, the academy will ensure that this is done in the presence of the holder, e.g. in person or via a live video link. In both cases, the academy will be in physical possession of the original documents. The academy will only accept valid, current and original documentation in its physical form. The academy will not accept photocopies or documentation printed from the internet, e.g. internet bank statements.

The academy will request documents with photographic identity, such as a passport, and compare this against the candidate's likeness. The academy will not accept documents that are not in the candidate's current name as recorded on the application form.

The academy will ensure that the candidate declares all previous name changes and provides documentary evidence to support the name change. If the candidate is unable to provide evidence to support the name change, the academy will hold a discussion with the candidate about the reasons why. The academy will always aim to check the name on the candidate's birth certificate in order to validate their identity.

The academy will compare the candidate's address history with any other information the candidate has provided, such as their CV.

The academy will ensure that all letters and statements provided by the candidate are recent e.g. within a three-month period.

The academy will keep a dated record of every document that has been checked for the duration of the candidate's employment and for a further two years after they have left the academy. This will be either as a hard copy or in a scanned format which cannot be manually altered, e.g. JPEG or PDF document, and will be made available to the appropriate authorities if and when requested.

In line with the UK GDPR and Data Protection Act 2018, the academy will only retain copies of DBS certificates where there is a valid reason for doing so, and only for as long as is needed to consider the information provided – this will not be for longer than six months.

When information is destroyed, the academy may keep a record of the fact that vetting was carried out, the result of this vetting, and the recruitment decision taken.

The academy may use a certified digital IDSP to secure DBS checks on candidates.

## 22. After the pre-appointment checks

Once the pre-employment checks have been completed, the recruitment panel will:

- Agree a start date with the candidate.
- Destroy the completed self-declaration forms.
- Submit contractual paperwork, including the completed DBS check, copies of identification, references, proof of qualifications, pre-employment medical enquiry form, P45, application/equal opportunities and emergency contacts.
- Add the required details of the checks carried out to the academy's SCR.

## 23. Single central record (SCR)

The academy will maintain and regularly update the SCR.

All new employees will be added to the record, which will include:

- All staff (including supply staff) who work at the academy.
- All others who work in regular contact with children in the academy or college, including volunteers.

The bullet points below set out the minimum information that must be recorded in respect of staff members (including teacher trainees on salaried routes). The record will indicate whether the following checks have been carried out or certificates obtained, and the date on which each check was completed or certificate obtained:

**[Please note for documents being viewed by the academy, the date recorded on the SCR should be the date the document was seen, rather than the date it was issued.]**

- An identity check
- A barred list check
- An enhanced DBS check
- A prohibition from teaching check
- Further checks on people living or working outside the UK, including checks for European Economic Area (EEA) teacher sanctions and restrictions
- A check of professional qualifications
- A section 128 check
- A check to establish the person's right to work in the UK
- For those in management, trustee or governor roles, a section 128 check

For supply staff, the academy will include whether written confirmation has been received that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates, and the date that confirmation was received and whether any enhanced DBS check certificate has been provided in respect of the member of staff.

If checks are carried out on volunteers, this will be recorded in the SCR.

The MAT will not keep separate SCRs for each academy; however, it will ensure that all those who need to see the central SCR can easily do so and that the SCR can easily be filtered by academy.

The details of individuals will be removed from the SCR once their employment with the academy ends.

## **24. Safer recruitment training**

At least one member of the recruitment panel will have completed formal safer recruitment training.

As a measure of good practice, the academy will ensure that this training is renewed **every two years**.

Staff and LAB governors involved in the recruitment process will have an awareness of information regarding the following:

- The recruitment and selection process
- Pre-appointment and vetting checks, regulated activity and recording of information
- Other checks that may be necessary for, staff, volunteers and others
- How to ensure the ongoing safeguarding of children and legal reporting duties on employers

## **25. Safeguarding**

For references provided to the academy, the candidate's suitability will always be assessed with regard paid to their suitability to work with children. The DSL will be consulted where appropriate.

The DSL will recognise the academy's duty to disclose safeguarding concerns overrides any other duties to an employee, and ensure the academy complies with its safeguarding obligations. The DSL will ensure records are kept of all allegations against staff in line with the most up-to-date version of KCSIE.

For all safeguarding allegations, excluding those proven to be malicious, a clear and comprehensive summary of the allegation, details of how the allegation was followed up and resolved, and a note of any action taken, and decisions reached, will be kept on the confidential personnel file of the accused member of staff. Accurate information based on these records will be given in response to future requests for a reference, where appropriate. Safeguarding information will not be given in circumstances where the allegation was found to be false, unsubstantiated or malicious – this includes if it is a history of repeated concerns or allegations which have

been found to be false, unsubstantiated or malicious. The member of staff providing the reference will make no comments about their own personal views on the veracity of allegations.

## **26. Induction**

The purpose of induction is to:

- provide training and information about the academy's policies and procedures;
- support individuals in a way that is appropriate for the role for which they have been engaged;
- confirm the conduct expected of staff within the academy;
- provide opportunities for a new member of staff or volunteer to discuss any issues or concerns about their role or responsibilities; and,
- enable the person's line manager or mentor to recognise any concerns or issues about the person's ability or suitability at the outset and address them immediately.

Please use induction checklist to carry out this programme. The content and nature of the induction process will vary according to the role and previous experience of the new member of staff, governor or other volunteer, but as far as safeguarding and promoting the welfare of children is concerned the induction programme should include information about, and written statements of:

- policies and procedures in relation to safeguarding and promoting welfare e.g. child protection, anti-bullying, anti-racism, physical intervention / restraint, intimate care, internet safety and any local child protection / safeguarding procedures;
- safe practice and the standards of conduct and behaviour expected of staff and pupils in the establishment;
- how and with whom any concerns about those issues should be raised; and,
- other relevant personnel procedures e.g. disciplinary, capability and whistle blowing.

The programme will also include attendance at child protection training appropriate to the person's role.

## **27. Monitoring and review**

This policy will be reviewed to ensure it remains up-to-date, relevant, and aligned with the Trust's strategic objectives, regulatory requirements, and best practices. The

review process will be conducted as follows:

- **Policy Owner Review**

The Policy Owner will conduct an initial review to assess any necessary updates or amendments.

- **Executive Team Policy Committee**

The revised policy will be presented to the Executive Team Policy Committee for further evaluation and recommendations.

- **Trust Board Approval**

Following review and necessary revisions, the policy will be submitted for formal approval by the Trust Board in accordance with the scheduled review cycle.

For details on the specific review schedule, please refer to the review table on the front page.
