

PE

Topics for PE this half term are Gymnastics and golf.

Curriculum Map - Autumn 1

Class : Owls

English Reading

For the first half term the children will be using the texts Here We Are, A Monster Calls and The One and Only Ivan.

We will use these books to learn new vocabulary and develop our reading skills of inference, retrieval and prediction.

English Writing

The text we will be focussing on in our writing lessons is 'King Kong' by Anthony Browne. The main writing outcome of this unit will be an adventure story. During the unit children will also focus on developing the following skills.

- Building vocabulary
- Evaluating authors' language choices
- Analysing and comparing text examples
- Planning an adventure narrative

PHSE

Theme for this half term in PHSE is Family and Relationships. We will learn that families are varied and differences must be respected.

Maths

In Maths this half term children will be studying roman numerals and place value up to 10 million. We will also be developing our arithmetic and reasoning abilities as well as focusing on our doubling and times table knowledge.

They will also start their unit on addition, subtraction, multiplication and division and develop their understanding of the 4 maths functions.

Science

In science children will complete a unit of work on the properties of materials. We will compare and group together everyday materials based on their properties, including their solubility and response to magnets. We will use our knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving and evaporating.

Music

In music children will be receiving weekly ukulele lessons as well as learning about music composition.

Computing

In Computing children will be completing a unit on music production and editing.

Geography

In geography this half term, children will be learning about the River Rhine and Mediterranean Sea. We will use these as case studies to look at where rivers start and end, the journey they take and the natural, urban and industrial uses of both.

History

In history this half term children will be learning about the Roman Republic. We will study Romulus and Remus and the foundation of Roman, the appointment of senators, the division between people and the 3 Punic Wars fought with Carthage.

RE

IN RE children will be learning about The Family of Jesus.

Spanish

In this unit pupils will learn vocabulary, phrases and sentences on family.

Design and Technology or Art and Design

In Design and Technology, the children will be completing a unit on structures. They will be looking at what 3D shapes are strong and stable and would make good structures. Our build will focus on pavilions.
