

## PE

In PE this we will learn about body management.  
We will learn how to twist, turn and roll with control.

## English Reading

In EYFS, we will begin with Essential Letters and Sounds phonics, reading practice sessions.

During these sessions children will build up from phase one phonics, listening and attention games in the Nursery, thinking about oral blending. In Reception children will continue Phase 2 and begin phase 3 phonics- decoding, blending and segmenting, as we continue reading CVC words and harder to read and spell words in captions and sentences.

## Understanding the world-Science

In science, children will learn about their bodies during our Doctors topic. They will learn about seasonal change as the weather gets colder.

We will continue to use our senses to look at the natural world around us.

## History

In history this half term children will be learning about history beyond our living memory. Children will learn about famous figures such as Guy Fawkes and Florence Nightingale.

# Curriculum Map - Autumn 2

## Class : Nursery and Reception

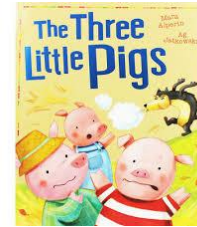

## English Writing

The text we will be focussing on in our writing lessons is 'The Three Little Pigs' by Mara Alperin. The main writing outcome of this unit will be to write a simple caption. During the unit children will also focus on a range of new vocabulary associated with being an investigator.

In the Nursery, children will be familiar with the text and will make marks associated with their learning around adventures and will give meaning to their marks.

Children in the Nursery will begin to write their name.  
Reception children will continue to form their letters correctly.

## Music

In music children will focus on actions. We will use Makaton in Reception to add signs to songs making them easier to remember and we will prepare for the Nativity.

## Computing

In Computing children will be using our iPads to access our learning in reading and maths. We will talk about the importance of following the iPad rules.

## RE

IN RE, children will be learning about celebrations for different religions such as Christmas and the Nativity.

## Spanish

In this unit pupils will learn about simple greetings in Spanish. They will learn to say hello to their friends.

## PHSE

This half term in PHSE is 'Self regulation and the importance of listening.'. We will also think about safe strangers.

## Maths

In Maths children will learn about numbers- 15 in the Nursery and 1-10 in the Reception. They will think about numerals and they will start to experiment with number composition to 5. They will consolidate their learning of subitising (to 3 in Nursery and to 5 in Reception) and begin to form numerals correctly. Children in Reception will develop their number fluency using Numbersense.

Children will develop their spatial reasoning skills by manipulating shapes in different ways.

## Understanding the world- Geography

Children will be learning about celebrations and people who help us in our community. We will use role play areas and visits in school to support this learning about who our safer strangers are.

In Nursery, we will have Nursery Rhyme week.  
We will learn about Bonfire Night and Christmas.

## Design and Technology or Art and Design

In Art and Design, children will complete observational drawings and pay attention to detail. We will think about seasonal crafts for Christmas.

In expressive arts- we will be learning to perform songs and simple acting techniques for our Nativity.
