Abstract

Kidsgrove Secondary School has an official school uniform which all students are expected to wear. We are conscious of cost and have kept the dress as simple as possible. Most items can be purchased quite easily from a wide variety of shops. Blazers, Ties and PE Kit are available from our uniform supplier, Smart uniform.

Introduction

Our school uniform policy requires the support of parents and carers. We want our students to be smartly and sensibly dressed, and despite fashion trends, we aim to have a uniform which is practical, comfortable, and fit for purpose, but also reflects the ethos and values of the school.

A uniform also helps prepare our students for the world of work, 'dressed for business': the business being that of learning.

The policy is an agreement between the school and parents/carers that clarifies for parents/carers the required uniform as set out below. All students are required to wear PE uniform as stated below for PE and sports events.

Students are expected to wear their uniform with pride. Uniforms are to:

- show that they are part of Kidsgrove Secondary School. Wearing the uniform says we're all in this together
- support students in being respectful
- give a sense of belonging for students
- give an identity to the community
- stop/ reduce peer pressure when it comes to clothes
- give a sense of order and purpose
- reduces bullying when everyone is dressed the same

Uniform appearance should be neat and tidy, with shirts tucked in, with top buttons fastened.

Students are to travel to and from school in the correct uniform and to wear it appropriately during the school day and at all school functions unless stated otherwise.

PE Shorts must be of a modest length, providing adequate coverage to ensure comfort, practicality, and suitability for physical activity. The school will challenge the wearing shorts that are too short and not in line with our uniform policy, particularly the Nike Pro-style shorts. These items and cycling shorts are not permitted as part of the school PE kit.

Students are expected to wear the correct school PE kit for every PE lesson.

Students opting for GCSE PE also have the option of buying a GCSE PE kit package.

We want all our students to be able to take part in PE lessons. This is our priority, and we want all students to be fully included in these lessons with appropriate PE Kit. If purchasing appropriate new PE kit is not possible due to financial hardship, then we are here to help. We will endeavour to stock a range of preloved PE kit items that will be available for students to use as needed. A voluntary and affordable contribution will be requested to be used to cover our costs of getting preloved items ready to be reused.

Funding and support of uniform

We want all our students to be able to access our school uniform. This is our priority, and we want all students to be fully included in these lessons with the correct school uniform. If purchasing appropriate new uniform is not possible due to financial hardship, then we are here to help. We will endeavour to stock a range of preloved good quality school uniform items, including shoes, that will be available for students to use as needed.

Mobile Phones and Electronic Devices

Whilst mobile phones have become helpful aids for parents/carers and children to communicate on the way to and from the school, their use in the school is strictly forbidden. Students may, therefore, carry phones at their own risk but any phone in use or on show during the school day will be confiscated and held in the Main Office with parents having to collect. This includes headphones, iPods, MP3 players, cameras, or any other electronic device.

The unauthorised use of a camera (including on a phone or an iPad) constitutes an invasion of privacy, and as such is strictly forbidden. Should images of other student or staff thus obtained, or any material which brings the school's name into disrepute, be published via the internet this may result in suspension or further action from the school.

Any valuable items are the responsibility of the student/parents/carers, and the school cannot take any responsibility for lost or stolen items, however we will endeavour to investigate any such problems if they arise.

Lost Property

Within a school a vast amount of lost property is generated. All items should be clearly marked with the student's name so that they can be returned. Any property that is not claimed will be recycled after an appropriate period.

Monitoring and Evaluation

The position with relation to school dress is monitored by all staff with form tutors being the people who see students first thing in the morning. Subject staff will reinforce standards before, during and at the end of lessons. All staff will reinforce standards around school throughout the day.

Sanctions may be issued if students do not follow the uniform policy to reinforce this; examples may include sanctions as outlined in our behaviour policy, uniform report or loss of social time. Serious and repeated violations of the policy may result in further sanctions. Repeated uniform issues are also communicated with parents and discussed to resolve these. Reminders are given to parents

through the school's regular communications. The school has the final decision over school uniform. Guardians agree that their child will adhere to the uniform policy as a requirement of their enrolment at the school.
