Week ending: 26.11.21

Dear Parents / Carers,

This week I completed the third and final day of the Healing Together programme which offers support to children who have experienced domestic violence. Should you feel this would be useful for your child, please let me know. Similarly, if you are experiencing domestic violence and don't know where to turn, always know that we are here to help. The NHS website also offers a range of support lines and services for you to access: <https://www.nhs.uk/live-well/healthy-body/getting-help-for-domestic-violence/>.

I was absolutely thrilled to hear that families donated a massive £329.59 for Children in Need. Thank you!

We are keen to hear your views about what has been happening in school this term. Please use the QR code below or this link to submit your views:

The survey will close on Tuesday afternoon. Thank you for your support!

Have a great weekend!

Ready, Respectful, Safe

On Wednesday 17th November 2021, Year Two enjoyed their virtual trip to Yew Tree Farm. Emily, the farmer, showed them around the farm and they got to meet all the animals. They talked about their growth since the springtime and their lifecycles. Scientific names for male and female animals were learnt as well as the animals' personal names. The children proudly asked their questions and Emily was able to answer them. It was a brilliant session!

Speed Stacking Competition

On Friday 19th November, 12 children attended the annual Fenland Sport Stacking competition at Neale Wade Academy. The children were very dedicated and practised before school and at lunchtimes to improve their skills and times and the results were amazing! The competition involved children working individually, in pairs and as a team of four.

It was an incredibly tense, emotional and a nerve-racking morning as the children had to keep calm and focused to be able to perform under pressure. Everyone did their best and had to show determination and resilience when one of their events didn't go to plan. The children kept going and supported each other and never gave up.

We were so proud of all the children.

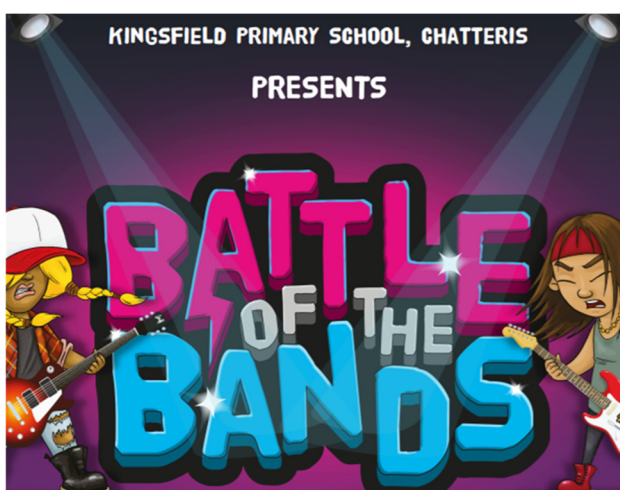

Our key focus was on children trying to achieve their personal best times and many did.

Overall, we were also awarded certificates for coming: 2nd in the team 3,3,3 event, 1st and 3rd in the 3,3,3 doubles event and 2nd in the top stackers event. Well done Kingsfield Sport Stackers - we are so proud of all of you!
