

Kingsfield Chronicle

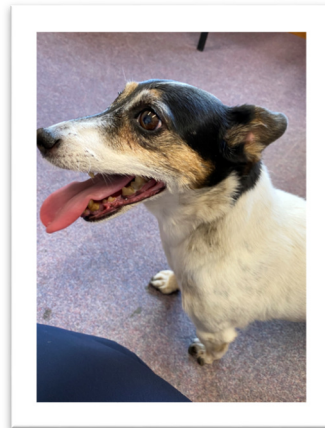

Week ending: 27.05.21

Ready, Respectful, Safe

Dear Parents / Carers,

Well, what a strange start to the week we had! Staff found a terrier on the playground but there was no collar or tag. The dog was brought to me. Josh G. and I then made the dog a bed, got her a bowl of water and Mrs. Harwood magically appeared with some kibble! Josh named her Betsy and looked after her whilst Mrs. Read and Miss. Candish called different places seeking advice. In the end, we took the dog to the vets and they were thrilled as the dog, who we found out was actually called Poppy, was due there to have her nails clipped! She clearly knew her fate and thought coming to school was a much better option!

Please remember there is no school tomorrow due to it being a PD Day for staff and next week is half-term. Thank you for your ongoing support of us all and hope the weather changes so that you can have a great break.

Headlice

We are aware that there are a number of year groups where headlice are circulating! Please can we ask that you check your child/ren's hair regularly for signs of eggs or nits. If you require additional support with this, please contact Mrs. Stephens (Family Care Manager) who will be happy to advise you.

Parking

Please can we ask that you park considerately around the entrances of the school as we have had an increased number of complaints from residents in the last week. Thank you.

Stick Insects!

This week, the children in nursery have got some new pet stick insects! They have been very brave holding them and watching how they move. They have learnt about the plants they eat and have helped to find the foods round the school.
