

# Kingsfield Chronicle

Week ending: 07.10.22

Ready, Respectful, Safe

Dear Parents / Carers,

Today has been Slip-into-Slippers day in school and it was great to see so many children and staff taking part by wearing their slippers in school! The campaign is intended to raise awareness of the needs of older people in the local community. We successfully raised £118 for AgeUK through holding the event today so thank you to all of you who contributed. As a follow-up activity, AgeUK has invited our children to write a postcard to an elderly member of our community; postcards are at the school office foyer for collection. Please return your postcard by Wednesday 12<sup>th</sup> October so these can be returned to AgeUK and distributed to people in our community.

Thank you to all those who have brought in food and other items for the Chatteris food bank. Today, the collected items have been taken to our local church to be given out in food parcels for those in need.

Yesterday, our Year 1 children visited the Chatteris Church of St. Peter and St. Paul as part of their learning in RE. The children explored the church to find all the different parts and listened to a talk led by Juliette and Claire who visit our singing assemblies regularly.

In a buildings update, Mr. Calderwood has started decorating our new DT room. The room will eventually house all of our DT and Art materials with workspace to allow lessons to take place. A special kitchen space has been included to support our food technology lessons and work benches will be set up for working with wood-working tools. We hope the new room will allow our children to take part in more DT and Art based learning and enable them to complete more ambitious projects.

We have been very impressed with the homework projects that have been returned to school so far and we hope that you are enjoying our new approach to homework. All projects should be handed in by Monday 17<sup>th</sup> October. These will be displayed in school and children will be given the opportunity to look at all the projects before they are returned home. If you have any questions about homework, please speak to your child's class teacher in the first instance.

I hope you have a wonderful weekend,

Mrs. Read

## Success of a former Kingsfield Pupil

We are proud to share the success of former Kingsfield pupil, Nathan Fisher, who is currently representing Great Britain in the World Cup in Turkey.

Nathan is a lower limb amputee who has always loved sport. He has worked hard to develop his skills, playing for Peterborough United and Chelsea amputee football clubs.

Nathan's Great Britain team are through to the knock-out stages of the World Cup tournament and we wish them every success.

We will be sharing Nathan's success with the school next week and tracking the team's progress in the competition.
