

Kingsfield Chronicle

Week ending: 29.09.23

Dear Parents / Carers,

Ready, Respectful, Safe

This week children have been working hard on their PiXL assessments. These are analysed and the outcomes shared with all staff. The great thing about PiXL is that the tests identify the gaps in learning so that our team can select groups of children with the same areas to address through 'therapies'. This is just the PiXL term for interventions. Hopefully, these therapies / interventions will mean that children are well on track to meet their end of year targets.

Please can I send out a reminder about naming all items of clothing as we are beginning to see a collection of lost property, some of which is clearly brand new.

Homework menus are being sent out alongside this newsletter today. We have given you this half term's and next so that you can choose what would be most enjoyable, engaging and interesting for the term.

Children were amazing on Wednesday when they lined up so sensibly to have their flu vaccinations. Well done to all of them!

Have a great weekend!

Mrs. Coates

This Week's News

Harvest

As harvest is now upon us, we are appealing for items to support the local foodbank. Key Stage Two will be visiting the St. Peter and St. Paul Church in Chatteris on Wednesday 4th of October to deliver any items that you kindly donate and these will then be used to support families in need through the local foodbank.

If you are able to spare any items, please see the following list of goods that are most useful to the foodbank:

- o long-life milk and long-life fruit juice
- o tins of food: meat, fish, vegetables, beans
- o sugar, biscuits, rice pudding, jam
- o coffee, tea
- o pasta, rice, cereal
- o toiletries
- o baby supplies: nappies and baby products
- o general household cleaning supplies.

Many thanks in advance for your kind support.

Intimate Care Plans

When a child comes to school, we expect them to be able to go to the toilet and clean themselves properly. Sometimes, children will have accidents and staff are on hand to support them during these moments. If your child has a medical diagnosis or is in Nursery and needs help changing, we put in an intimate care plan. These are being written or indeed updated this week and will be with you over the next few days. Please read through carefully before signing to say that you agree with the intimate care protocol. Should you have any queries about this, Mrs. Kent is the best person to speak to this about.

Guitar Lessons

Don't forget to sign up for ukelele (KS1) or guitar lessons (KS2). For more information, refer to last week's newsletter or speak to a member of our office.

School Meals and Events

ALLERGY INFORMATION: If your child has an allergy or intolerance please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child.
