

# Kingsfield Chronicle

Week ending: 07.07.23

Ready, Respectful, Safe

Dear Parents / Carers,

This week, Year 6s enjoyed their visits to Cromwell and are now really looking forward to being Year 7s! Please see below for more information about next year's staffing structure.

Thanks for your support of the disco. Children and staff had a great time and we raised much needed funds for school projects.

Next week there will be no newsletter as we will be producing a final end of term celebration Chronicle. Similarly, celebratory awards will also be in the final Chronicle.

Have a great weekend!

Mrs. Coates

## Year 4 Song-writing Event

Today, we had a virtual visitor and they were in a music band called the Young Uns. They composed a song with us all about eels! This was extra challenging as technical difficulties meant that we could not talk to them so we had to type our suggestions. The song was written about eels because they are a fascinating local fish. The Young Uns played an accordion which is like a piano but held in your hands. They also shared some sea shanties with us about South Australia and being on a boat. Did you know that eels can survive out of water for three hours?

## Education Inclusion Family Advisor Newsletter June 2023

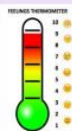

Hello, I am Beatrice Dark the Education Inclusion Family Advisor for the School. I can offer advice and support on a range of issues and challenges that can affect family life. Please do not hesitate to contact me if I can be of support.

### Supporting Emotional Literacy

The more a child is able to understand and express their feelings the more able they are to control their emotions. Taking all the words out of it can be beneficial.

Feelings thermometers are brilliant and if used by the whole family can really help everyone.

Put one up on the fridge and practice gauging how everyone is feeling on a daily basis. It really works!

### Activity:

Now that the weather is looking more on the warm side, why don't you get outside and create some pictures using what is around you? Whether you are on a beach or in the middle of a wood, you can create some stunning pictures as a family with what lies around you.
