Week ending: 19.05.23

Ready, Respectful, Safe

Dear Parents / Carers,

This week parents and 6C attended 4P's class assembly. It was all about their learning on volcanoes. I was amazed at their knowledge and the homework model of a volcano based on a dog cone was genius! The children were so clear and the audience was really impressed.

Year 5s have taken part in Fenland Adventure today and Year 6s have learnt the Charleston! Pictures to feature in next week's newsletter.

Children celebrated Mental Health Awareness Week with a range of additional learning opportunities including a YMCA assembly. We know that sport can have a massive, positive impact upon our mental health so it was great that Sports' Day also took place this week. Children, staff and families really enjoyed the event and there was certainly a healthy level of competition visible throughout the day! Thank you to all the Year 6 pupils and other volunteers for their help. A massive thank you to Mrs. MacNeil for making the day run so smoothly.

Well done to everyone but particularly to KS2 Red Team and KS1 Green Team!

Don't forget that it is 4W's class assembly which will start at 2:30 on Tuesday 3rd May. Please make your way to the front of the school and you will be directed in by the side door (near the old entrance and kitchen).

We have been reviewing our end of term events and need to change the Celebration of Work afternoon from the Tuesday 18th July to Friday 14th July. Doors will open from 1:30 for parents to come and see their children's learning. More information to follow closer to the time.

Please have a look at the last page of the newsletter as we have included a couple of new local events that look really good fun.

Have a great weekend!

Mrs. Coates

Sun Cream Protocol

We have reviewed our protocol and have agreed the following:

- Children should have sun cream applied before school. In most cases, this should last until the end of the school day.
- For those children who need to apply additional cream throughout the day, sun cream can be brought into school. This cream needs to be brought in a clear bag that is named and given to the class teacher. The child will be allowed to apply it at lunchtime. We are **unable** to apply it.
- Please can you reiterate with your child that their cream is not to be used for anybody else.

Skills Escalator Day

On Monday, Year 2 children took part in a Skills Escalator day. They had so much fun learning about different careers and could not stop talking about it on Tuesday! During the event, the children worked with members of the RAF, Police, MJS Construction, Naturally G's Fresh, NHS and Metalcraft. All of the workshops were interactive and fun. The children came away knowing about a range of career options for the future and with some goodies including their very own lettuce plant!

School Song

Mrs. Bendzulla has written us a school song using the Coronation tune. Children had their first practice of it this week and will continue to do so over the forthcoming weeks. Thanks to Mrs. Bendzulla for her hard work on this.
