## Newsletter 17

**Friday 8<sup>th</sup> March 2024**

Dear Parents and Carers

The highlight of our week at Kingsfield has definitely been World Book Day 2024. Thank you for supporting your children to get dressed up and into the spirit, to celebrate the joy of reading. It was great to see children and staff enjoying talking about their favourite books, sharing books with other classes, and older children reading together with children in younger.

I hope you enjoy looking at our photo gallery!

Days like this are always memorable and bring learning to life. Next week we will be celebrating National Science Week with a range of interesting scientific experiments taking place in each class across school.

Best wishes

*Ellie Green*

Miss E Green - Head Teacher

In this week's newsletter you will find information about the following:

- KPS Values Celebration
- British Science Week 2024
- Re-scheduled Parent/Carer Evenings
- *Moments Matter – Attendance Counts:*

### KPS Values Celebration

**Respect – Confidence – Resilience**  
**Aspiration – Enthusiasm – Kindness**

Congratulations to KPS Values Award winners. It is my favourite moment of the week to hear the teachers talk

so enthusiastically about the amazing achievements and values of our children.

### Reception

*Breakthrough - Confidence*

### Year 1 & 2

*Charlotte - Resilience*

*Ava - Resilience*

*Evelyn - Resilience*

### Year 3 & 4

*Aaron - Confidence*

*Darcy - Enthusiasm*

*Sophie - Resilience*

*Leah - Enthusiasm*

### Year 5 & 6

*Wyatt - Resilience*

*Catalin - Enthusiasm*

*Seya - Aspiration*

*Izy - Aspiration*

*I am very proud of you all!*

Thank you to all of the grownups and siblings who came along to support their child today.

The theme of British Science Week 2024 is "Time". Details of a competition your child may wish to enter are below.

The British Science Week 2024 poster competition is open now!

The theme this year is '**Time**', – there are loads of STEM topics were explored! Students could create a poster showing how a certain type of technology has changed over time, or even the advancement of time-telling technology itself. Budding poster makers could also go futuristic show us how they think the world might look in years to come, or perhaps look at nature – lifecycles, lifespans, evolution and hibernation – nature is full of timely topics.

British Science Week 2024 marks the Week's 30th anniversary, with the inaugural celebration happening in 1994. Students could think about scientific innovations since then, or explore 1994 itself – what was life like 30 years ago?

The form to submit your entries is here: [British Science Week 2024 poster competition entry form](#)

The closing date for entries is 6.00 pm on Thursday 28 March 2024.

### Rescheduled Parents Evenings

Some of you missed appointments last week due to staff absence. Parents evening for those who missed out, from Class 5T, 4W and 3P, will be rescheduled for **Thursday 14<sup>th</sup> March 2024**. The appointment times will be shared for you to sign up.

If this is not convenient, please contact your child's class teacher to arrange a more suitable date.

### Moments Matter – Attendance Counts KPS Celebrate Good Attendance
