

KINGSFIELD NEWSLETTER

ISSUE 15 - FRIDAY 20TH DECEMBER

Dear Parents and Carers,

As this term draws to a close, the Kingsfield team would like to say a huge thank you to all parents and carers for their support over the Autumn term. It has been a term of great success and achievement for our children across the school and we couldn't have done it without your help!

Have a wonderful and festive Christmas and we look forward to welcoming you all back in the New Year on the 6th of January.

The Leadership Team

We would like to say a huge thank you to Seasons Garden Centre who have donated a real Christmas tree to school. It has pride of place in our dinner hall and made for a very festive Christmas lunch on Wednesday! Thank you, Seasons for your generous donation!

CHRISTMAS CARDS FOR SCHOOLS

We are pleased to report that our homemade Christmas Cards have raised a grand total of £134. This money will be spent on resources for school. Thank you to all of you who supported this.

YEAR FOUR DESIGN AND TECHNOLOGY

Year Four have been working hard on their DT project this term. They spent the first part of the term thinking about form, aesthetics and the potential user and then designed and learnt running stitch, backstitch and overcast stitch. Then, they cut shapes out of felt which they appliquéd onto a background piece of felt. They then stitched two pieces of felt together before stuffing them and sewing up the opening.

The children worked extremely hard and lots of resilience and perseverance was seen. They are rightfully very pleased and proud of themselves and as you can see, the final product was excellent!

CHRISTMAS CHURCH SERVICE

On Thursday, all of Key Stage Two attended a Christmas service at church. The narrators for the service spoke very clearly and the singing was also really lovely. The children nearly raised the roof singing 'Ding Dong Merrily!' A big thank you to all who were involved in putting this together and thanks also to all parents and carers who came along to support.

YEAR SIX DESIGN AND TECHNOLOGY

This week, our Year Six children visited Reception to deliver the Water Walls that they designed and created using recycled materials during their DT lessons. The children in both Reception and Year Six had great fun together pouring water into different parts of their walls and watching the water travel through the different bottles and pipes.

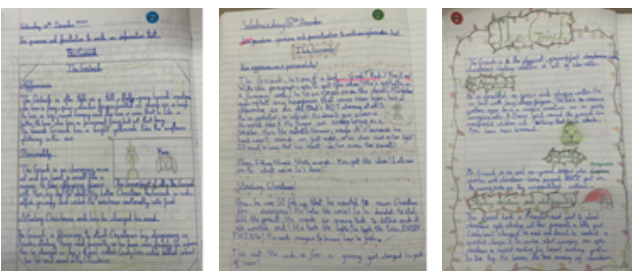

KINGSFIELD CHRISTMAS FAYRE

A wonderful time was had by all at our Christmas Fayre on Tuesday. There were many entertaining stalls, lots of snacks to enjoy, delicious hot chocolate and Santa even made an appearance. Thanks go to our fabulous choir who performed carols whilst parents, carers and children wondered around the stalls. A brilliant £333 was raised which will go towards resources for the school. Thank you to all who attended.

YEAR SIX WRITING

Year Six have produced some fantastic Christmas writing based on the Grinch. The content of the writing is superb and I am sure you will all agree that the presentation is absolutely beautiful.

WEEKLY ATTENDANCE

Congratulations to class 3P this week who won the weekly attendance award. Enjoy your cake! 3P were also the overall attendance winners for this term and will get to look after our Attendance Bear for the first week of next term, well done 3P!

Whole school attendance = %
Let's work together to reach at least 96% next term!

UPCOMING EVENTS

December

23rd-3rd Jan: Christmas holidays

January

6th: Children return to school
