

KINGSFIELD NEWSLETTER

ISSUE 27 - THURSDAY 3RD APRIL

Dear parents and carers,

We have come to the end of the Spring term and I think we are all ready for a rest. Attendance has been much improved, but we have been seeing the impact of tiredness in the last couple of weeks, with more illness reported. We aimed to reach 96% attendance for the term and happily have achieved this. Hopefully with a bit of a rest and recharge over Easter we can push for our 96% attendance for the whole year!

This half term we started to use a new spelling programme, 'ready, steady, spell'. We have been really pleased with the way that the children have taken to it, enjoying the sessions and responding really positively to the lesson structure. We are looking forward to seeing the impact of the programme in writing as we move into the Summer term.

We have been very proud of our Year 6 children this term, they have been working extremely hard to prepare for their SATs tests in May. They have shown a really positive attitude to learning and are working hard to be the best that they can be.

Next term we look forward to more year group school trips, sports days, swimming (for some year groups), transition days for Year 6 and lots of other exciting learning opportunities. So, thank you for your continued support, and on a personal note for welcoming me to the Kingsfield community.

Have a fabulous break and see you on Tuesday 22nd April.

Mrs Harradine and the Leadership Team

STAFF NEWS

We are looking forward to welcoming a new teacher, Miss Shannon Newbury to Kingsfield after Easter. She will be joining 5W as the class teacher, teaching for 4 days a week with Ms Lucca continuing to support on the 5th. I hope you will join us in welcoming her to Kingsfield team.

ATTENDANCE CELEBRATION

An amazing 100 children were in school every day this term!

A fantastic 31 children have 100% for this academic year!

SPRING

Spring has well and truly sprung! The school grounds are looking beautiful and the children are loving being able to play on the fields again.

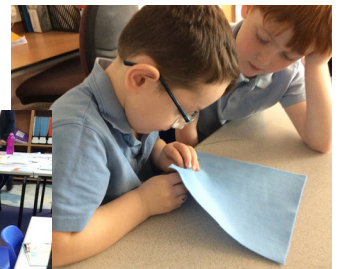

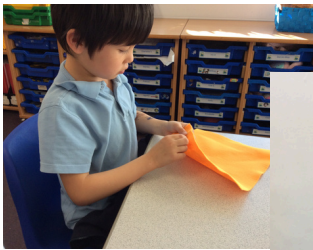

AFTER SCHOOL CLUBS

After school clubs will be re-opening for registration at the start of next term. Please keep an eye out for emails with more information.

YEAR 2 DESIGN AND TECHNOLOGY

Year Two children are developing their creativity and fine motor skills by sewing and decorating their own pencil cases. Using simple running stitches, they have carefully sewed fabric pieces together, improving their hand-eye coordination and patience. Once the basic structure was complete, they personalized their pencil cases with colourful decorations. This hands-on activity not only enhances their sewing skills but also encourages self-expression and a sense of accomplishment as they proudly use their handmade creations in the classroom.

EASTER COMPETITION

Congratulations Elli for winning the After School Club Easter colouring competition. Enjoy your prize!

WEEKLY ATTENDANCE

Congratulations to class 3S this week who won the weekly attendance award with 99.5%. Enjoy your cake! 3S were also the overall attendance winners for this term and will get to look after our Attendance Bear for the first week of next term, well done 3S!

Whole school attendance = 92.5%
Let's work together to reach at least 96% next term!
