

KINGSFIELD NEWSLETTER

ISSUE 3 - FRIDAY 20TH SEPTEMBER

Dear Parents and Carers,

It has been a very productive week in school. The children have continued to aim high, reaching our expectations for excellent behaviour and it has been lovely for the leaders in school to visit lessons and see the excellent learning behaviours that the children are displaying and their engagement in lessons.

Having had feedback from many parents and carers regarding term dates on our newsletter, we have now included these so that you can see what is coming up. Please check these each week as we will be adding to them over the course of the term.

Have a great weekend.

The Leadership Team

LUNCH CLUBS

We have spent some time this week liaising with the School Council about the types of activities the children would like to take part in during lunch breaks. We have consulted with Premier Sports, who provide some of our lunch clubs, and they are now running the following clubs for children to join at lunchtime.

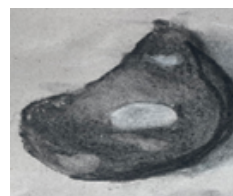

Activity Timetable

Kingsfield Primary School - Lunch clubs

PLAYGROUND - HAND BALL	PLAYGROUND - DODGEBALL	PLAYGROUND - BENCH BALL	PLAYGROUND - TAG GAMES	PLAYGROUND - HOCKEY

OUR CURRICULUM

Year Four have had a wonderful start to their art unit of work based on light and shade. They have used close observation skills to sketch fruit using charcoals. The children were all very keen artists while they were working on their pieces. Have a look at their wonderful work below!

EXTRA-CURRICULAR CLUBS

As part of our club offer, we will be using our sports provider, Premier Sports to offer clubs after school each day on a Tuesday to Friday. These will be free to attend and run by a trained sports coach from Premier. Look out for a letter detailing the clubs on offer next week!

READING FLUENCY

This week saw the launch of our reading fluency lessons across the school. It has been lovely to see the children taking part in these lessons so enthusiastically and really working hard on their tracking of a text and the expression they are using when reading.

With our continued focus on reading, we will be awarding reading stickers for those children who have read at home every night of the week. Children, or whoever listens to them read, just need to fill in their reading journal to show that they have read at home.

Kingsfield Library has also made the news. Please follow this link to read the item. [Kingsfield Library](#)

SCHOOL COUNCIL

In an amendment to last week's School Council announcement, please note that the School Council representative in 3P is Daniella.
