

KINGSFIELD NEWSLETTER

ISSUE 6 - FRIDAY 11TH OCTOBER

Dear Parents and Carers,

It has been another great week in school. On Wednesday, the school received some support from the Maths Hub (a partnership of schools, colleges, and other organisations that work together to improve maths education in England). Staff had a training session led by a member of the Hub where they enhanced their understanding of teaching maths mastery and the use of maths resources to explain key concepts to children. Visitors from the Hub completed a learning walk and commented on how calm and purposeful the atmosphere in school was. They noticed that every child was engaged and on task and said that the learning behaviours of the children were excellent - positive praise indeed!

Have a great weekend.

The Leadership Team

HARVEST FESTIVAL

As part of our harvest celebrations at school, this year, we will be supporting our local foodbank run by the Trussell Trust. We are asking for donations of non-perishable goods that we will deliver to the foodbank to support families in need. Items that you can donate are listed below and we ask that you send these in on Monday 14th October. These items will be displayed in a whole school assembly which will be presented by our School Council on Monday.

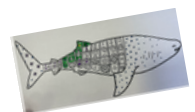

Items to donate:

- long-life milk and long-life fruit juice
- tins of food: meat, fish, vegetables, beans
- sugar, biscuits, rice pudding, jam
- coffee, tea
- pasta, rice, cereal
- toiletries
- baby supplies: nappies and baby products
- general household cleaning supplies.

CLUBS

Clubs began this week and children have thoroughly enjoyed attending the variety of clubs on offer, developing their skills and making social connections with their peers.

KINGSFIELD ART CURRICULUM

Leaders in school thoroughly enjoyed an art learning walk on Wednesday afternoon. In lessons, children could be seen perfecting their art skills engaged in sketching, painting and still-life drawing. The outcomes seen demonstrate the children's developing skills in all areas of art and the children's concentration and enjoyment in each lesson was a pleasure to see.

PHOTOGRAPHS

Due to unforeseen circumstances we have had to move school photographs to Monday 21st October. Children will have their individual and sibling photographs taken on the day. We invite any nursery children who do not normally attend on a Monday morning to come in for photos. Please come to the school office for 8:40am on the day.

UPCOMING EVENTS

October

16th: USA Menu

16th: Year 1 Chatteris Museum Trip

21st: School photographs

23rd: EYFS Chatteris Museum Trip

23rd: Year 4 Roman Day
