## ISSUE 7 - FRIDAY 18TH OCTOBER

Dear Parents and Carers,

It has been a very productive week in school. On Tuesday, we had lots of Trust visitors in school who were impressed with the behaviour of the children and their engagement with their learning. On Wednesday at staff training, we continued our work developing reading lessons across the school with a focus on high-quality book-talk and adaptive strategies to ensure that all children experience success in these crucial lessons. Lots of children are achieving reading stickers for their commitment to reading at home; it has been wonderful to see the children excitedly sharing their reading journals and stickers with staff and thanks go out to all parents and carers at home who are supporting children with their reading.

Have a lovely weekend, everyone.

The Leadership Team

## EYFS

The children in our EYFS provision have been busy this week helping to set up their outdoor learning area. They are really enjoying the responsibility and have some fabulous ideas. Yesterday the children helped to set up the fire station. This is linked to our PKC topic of people who help us.

## READING

The children in Year Three have been keenly reading every night; lots of children in this year group have already earned their reading bookmarks for their efforts with reading at home. Well done Year Three!

## HARVEST FESTIVAL

On Monday, our School Council presented an assembly to the whole school about harvest and its meaning. They explored what harvest means to people and how we can support those less fortunate who may not have enough food at home. Donations were plentiful so thank you to all of you who sent items into school. The School Council then delivered all of these items to the local food bank where they will be distributed to families in need of support. Thank you also to Mrs Walker who organised this event.

## POPPIES

Next week, poppies will be on sale in school for the children to purchase. This is a donation of an amount of your choice and proceeds go towards the Royal British Legion to support the armed forces and their families.

## BOOKS

Please could we kindly ask that books that are sent home are carefully looked after so that they don't become damaged.

## YEAR 1 MUSEUM VISIT

Year One had a wonderful visit to Chatteris Museum this week. On the way there, the children were thrilled to see a Halloween decorated house! We have been learning all about the history of Chatteris and have looked at lots of old photos of the town, streets and even school! The children were so excited to visit the museum. We listened to a talk about Chatteris in the past, looked at lots of old items such as the top of an old axe, an old clay fire lamp, a chamber pot, a fire blower and learnt how people used to wash and dry their clothes. We all had to be very careful when holding/touching everything. There was a very old record player in the museum and we had the opportunity to listen to some music from the past. It was great to have our lovely parent helpers too; thank you so much for coming!

## UPCOMING EVENTS

### October

- 21st: School photographs
- 23rd: EYFS Chatteris Museum Trip
- 23rd: Year 4 Roman Day
- 24th: Cromwell Open Evening
- 25th: Teacher training day
