

Teaching revision: Day 1

Compare two numbers less than 100, say which is more or less

Day 1: Compare two numbers less than 100, say which is more or less.

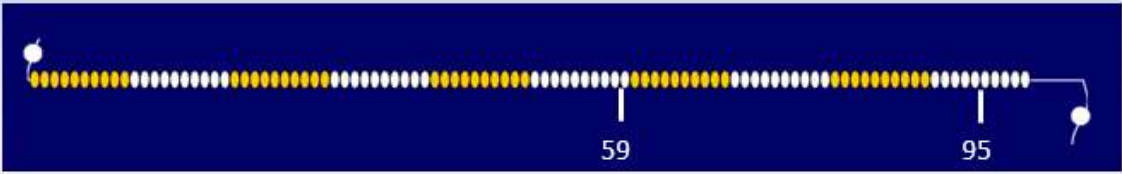

Which is more, 27 or 72?

Seventy-something is going to be bigger than twenty-something!

27

72

Day 1: Compare two numbers less than 100, say which is more or less.

Which is less, 59 or 95?

59 is less than 95.

59

95

Review and complete the practice sheets. You have a choice of Sheet 1 (easier) and Sheet 2 (harder). You can use a 100 square if you wish.
